ENGLISH LEAGUE FIRST DIVISION

Blackburn Rovers 1, Arsenal 2.

#### Secretary Byrnes Guest Of France

U.S. Secretary of State James Byrnes signs the golden register at Versailles Palace as attendant in colorful uniform looks on. Byrnes and 3,000 others were guests of the French government at scene of an earlier peace parley—that held after World War I.

#### Rioting Moslems Left Trail Of Dead And Injured In Bloody Bombay

Hindu looters are seen fleeing from a shop in riot-stricken Bombay during the height of recent Moslem disorders. Death total in the riots which struck the city a few days after 4,000 persons were killed in the Calcutta area, was well over 200, with nearly 1,000 injured. These looters ran from the shop when they heard a military patrol arriving.

Black flags are raised by Moslems in Bombay as a protest against non-inclusion of the league elements in the interim government formed by the Viceroy. Demonstrations of this sort were the first spark which caused riots resulting in 4,000 deaths. Police look on indifferently in this photograph as a group of Moslems get ready to raise a black flag.

5799 Mona M. (Miller)	112
5799 Fox Donna (no boy)	117

### Dodgers, Cards Retain Places; Pollet Wins 20

NEW YORK (AP)—Howie Pollet of St. Louis Cardinals became the first National League pitcher to win 20 games this season and the first southpaw since 1937 as he turned back New York Giants today, 10 to 2, to protect the Birds' slim two-game lead over Brooklyn Dodgers.

BROOKLYN (AP)—Scoring three runs in the first inning, Brooklyn Dodgers went on to defeat Chicago Cubs, 4 to 2, today to remain two games behind the National League pace-setting St. Louis Cardinals.

### Greenberg Hits 300th Home Run

DETROIT (AP)—Hank Greenberg pulled even with Boston's Ted Williams in the American League home run race by blasting his 38th in the first inning of today's Detroit-Washington game.

It was the 300th homer of Greenberg's major league career. Two runners were on base at the time, increasing Greenberg's run-batted-in total to 113.

NATIONAL LEAGUE	R	H	E
St. Louis	10	11	1
New York	2	11	1
Batteries—Poll and Kluttz; Kennedy; Thompson (4); Abernathy (2); Trinkle (6); Gee (3) and Lombardi.	6	10	2

Boston	8	12	6
Batteries—Hicki, Lambert (5); Shoun (7) and Mueller, Lamanno (6); Johnson and Padgett, Mast (5).	2	9	6
Brooklyn	4	12	1
Batteries—Erickson, Meyer (1); Wynn (7) and Livingston, Hatten, Lombardi (7) and Edwards.			

### Woodcock K.O.'s Gus Lesnevich

LONDON (CP)—Bruce Woodcock, British heavyweight boxing champion, knocked out Gus Lesnevich, world light heavyweight titleholder from Cliffside, N.J., in the eighth round of a scheduled 10-round non-title fight at Harringay Stadium here tonight. Woodcock weighed 192 pounds; Lesnevich 181 1/2.

Lesnevich, his left eye battered but in the fourth round, fell before a jolting right and tried unsuccessfully to regain his feet. The referee's "10" came while the American's hands remained on the canvas.

## Another 35,000 Farmers Called On To Strike

SASKATOON (CP)—The Saskatchewan section of the United Farmers of Canada today issued a straight strike call to its 35,000 farm-family members. Previously, provincial locals of the union had been merely "urged" to support the non-delivery strike of 20,000 members of the Alberta Farmers' Union, now in its third week.

Action was taken following a meeting here Monday of the board of directors of the U.F.C. which considered reports of non-delivery of farm produce in various sections of Saskatchewan.

"The strike call and copy of the resolution passed by the board will be sent today to 1,200 points in the province," said Frank Eliason, U.F.C. secretary. An office will be set up in Regina under the leadership of vice-president George Wright, Mr. Eliason said. The office will be concerned with strike details affecting farmers in the southern part of the province, but will receive its instructions from Saskatoon.

"Now that a strike has been called, the next move is up to the federal government," said Mr. Eliason.

"If the government agrees to the setting up of a fact-finding board, the A.F.U. and U.F.C. will meet to discuss what further action is necessary," Mr. Eliason stated.

In Regina today, a delegation from the U.F.C. was to approach the head office of the Saskatchewan Co-Operative Creameries in an effort to make arrangements for the handling of cream on a holding policy.

## More Than 8,000 Will Attend U.B.C.

VANCOUVER (CP)—Original estimates of an 8,000 enrolment this season at the University of British Columbia were being revised today as registration exceeded the anticipated 1,000 a day.

On the basis of registration booklets issued to students, it was estimated 5,200 students had or partially registered by 5 p.m. Monday.

Registration will continue till Saturday. The tremendous problem of feeding between 8,000 and 10,000 students at the U.B.C. is to be handled by at least eight cafeterias, restaurants and lunch rooms on the campus.

## \$250,000 Blaze In Belleville

BELLEVILLE, Ont. (CP)—Losses estimated at \$250,000 were caused today by fire which swept through the Graham Dry Foods plant and for a time threatened the city gas works. Cause of the blaze, considered the worst in Belleville's history, was not determined.

#### She Likes Animals

Wherever she lives, Florence George, blonde opera singing sister-in-law of Bing Crosby, manages to collect what amounts to a private zoo. Above, she poses with part of her current Hollywood menagerie. Among the 100 birds in her aviary is a South American troupial, which she insists gives vent to a perfect wolf-whistle when a pretty girl's around.

## Ottawa Considering Registration Records

OTTAWA (CP)—The government has not yet decided what disposal will be made of the national registration records with the termination of registration some weeks ago, Deputy Labor Minister Arthur MacNamara said in a statement today.

"Several government offices have expressed definite interest in the records for statistical use, but nothing definite has been decided," he said.

The records consist of more than 9,000,000 cards of 12-by-10-inch size on which the registration originally was made in 1940. Registration certificates formerly carried by Canadians now may be thrown away.

One suggestion the Labor Department is considering is preserving the original records for 12 months against possible use

and then giving them to salvage. Another is that the cards be microfilmed and stored, if it seems likely they will prove useful in the future.

Usual government practice in keeping records is to preserve them until it can be determined they are of no further value.

## Todd Shipyards Closed By Seamen's Strike

SEATTLE (AP)—Confronted with a massed C.I.O.-Maritime Union's picket line, A.F.L.-Metal Trades Union workers had refused to try to enter the Todd Shipyards plant on Harbor Island when called to return to work today.

Within an hour, most of the pickets and A.F.L. men left the plant area and the operators' plan to resume work on navy repair jobs today, at the navy's request, was given up, at least temporarily. The navy said Monday the work must be resumed, or the ships would be moved to the Bremerton naval shipyard.

## Soviet Squad Tries To Take 'Traitors' From American Jail

BERLIN (Reuter)—High United States intelligence officers said today bloodshed was "narrowly averted" near Tempelhof Airdrome last Saturday in the "most serious rift yet between United States and Russian army personnel."

Conflict developed when a Soviet officer, Senior Lieut. Morosov, and five tommy-gunners tried to remove two "Russian traitors" from an American jail by force of arms.

At the height of the melee the Soviet soldiers were held at bay by a U.S. Lt. Col. commanding all American military police here, and other high U.S. officers. The Russian lieutenant hurled insults at them, charging the Americans with being "unworthy" of being allies of the Russian Army.

Capt. A. Feldman, in charge of the military police station, placed seven American riflemen and tommy-gunners outside the ring of Russians, it was stated. Capt. Feldman sealed off the building with armed military police, supported by an armored car and a platoon of machine-gunners.

Earlier Soviet Major Kartmazov and two others had entered the U.S. sector of Berlin to arrest a Pole and his Ukrainian common-law wife, deemed traitors because they had remained in Germany throughout the war.

## Higher Rates Asked For Motor Freight

VANCOUVER (CP)—Increased motor-freight rates are being sought by the motor transport industry of Vancouver, New Westminster and Victoria to meet hourly wage-increases of 15 to 20 cents an hour for more than 1,000 workers, G. L. Buckman, chairman of the operators' committee, said today.

The workers are members of the General Truck Drivers' and Helpers' Union, Local No. 31, represented by Reg. Atkinson. Their wage boost, approved by the Regional War Labor Board, is between 20 and 31.7 per cent.

Mr. Buckman said the industry will require relief in order to meet the increased wages and applications are now pending with the Prices Board and other governing bodies for freight rate adjustments.

## 6 Alberta Deaths From Poliomyelitis

EDMONTON (CP)—Six persons have died in Alberta in the last three months from poliomyelitis, city and provincial health officials said today. Possibility of another death, which occurred in Calgary on Saturday, having resulted from the same disease is being investigated.

The total number of cases listed by health officials in the province today was 64. Of this number 41 have occurred in northern Alberta, eight of which were in Edmonton and the remainder in Edmonton district, including the Westlock and Westaskiwia districts.

The latest victim in the Calgary area is a 13-year-old girl from the Dog Pound district.

## Not Missing, But On Way To Arizona

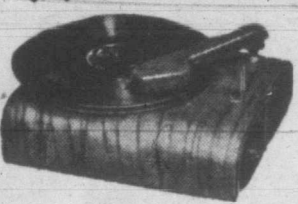

MONCTON, N.B. (CP)—The mystery of the reported disappearance in Vancouver last week-end of A. J. Palmer, 35, of the city was clarified here today by his wife.

A Vancouver dispatch Monday night said the Moncton man was being sought by police as the possible victim of foul play following a check of hotels and rooming houses.

Mrs. Palmer said she had received word today from her husband that he had left for Phoenix, Ariz., his original destination, and that a "mysterious" telegram he had sent for had been one asking for further identification for the purpose of crossing the United States border.

**How to make a recipe  
fit what's on hand**

Did you ever discover after you had started on a recipe that you didn't have all the ingredients on hand that the recipe called for? While it isn't wise to tamper with delicate or complicated recipes, there are some simple substitutions that may be made and the recipe will turn out practically the same as if you had the ingredients called for.

**IF THE RECIPE CALLS FOR SWEET MILK**—you may substitute for each cup: ½ cup evaporated milk diluted with ½ cup water or 1 cup sour milk or buttermilk plus ½ teaspoon soda. (If the recipe calls for baking powder, reduce the baking powder 1½ teaspoons or 1 cup skim milk plus 2 teaspoons shortening or salad oil.

**IF THE RECIPE CALLS FOR SOUR MILK**—you may substitute for each cup: 1 cup sweet milk. Omit any soda called for in the recipe and increase the baking powder 1½ teaspoons or 1 cup sweet milk for ½ cup evaporated milk diluted with ½ cup water, plus 1½ tablespoons vinegar or lemon juice. (Add vinegar or lemon juice to milk; let stand in warm place 15 to 20 minutes. Use the same as sour milk.)

**IF THE RECIPE CALLS FOR LIGHT CREAM**—you may substitute for each cup: 1 cup undiluted evaporated milk or ½ cup milk plus 4 tablespoons shortening or salad oil. (Use this substitution only in cooked or baked recipes; in frozen desserts and molded salads the shortening or oil will separate.)

**IF THE RECIPE CALLS FOR UNSWEETENED CHOCOLATE**—you may substitute for each 1-ounce square, ¼ cup ground chocolate or ¼ cup cocoa, plus 1½ teaspoons shortening.

**Sir James Jeans, Scientist, Dies**

DORKING, Surrey, Eng. (Reuters)—Sir James Jeans, 69, world famous scientist, died at his home Monday night.

He had suffered from heart trouble for some time. His condition suddenly became acute early Monday. He died in a coma.

Sir James, described by the late Sir Oliver Lodge as "one of the six greatest men in the world," was pre-eminent among astronomers and had a luminous gift for explaining the facts of astronomy in vivid phrases easily understood by the layman.

His father for many years was a reporter in the House of Commons and he was related to the late Sir Alexander Jeans of the Liverpool Post, and to William Jeans, London correspondent of the Dundee Advertiser, whose son was afterwards chief editor of Reuters News Agency.

James Hopwood Jeans was a noted follower of Sir Isaac Newton and became famous for his extension of Newtonian mechanics to the more complicated behavior of gases, solids and liquids under forces due to gravitation and rotation. He showed how these influences applied to the formation of stars.

In 1919 his book, "Problems of Cosmogony and Stellar Dynamics," won him the Royal Society's Gold Medal.

Ten years later he published a popular version of the same subject, entitled "The Universe Around Us," which became a best-seller.

Some of his theories caused considerable controversy. He held, for example, that the universe was gradually running down, and compared the stars to icebergs split from the parent mass and gradually melting in warmer seas.

He was knighted in 1928.

**Statue Returned**

TOKYO (AP)—From the murky shadows of the Osaka arsenal, Japanese produced the much-sought bronze statue of Queen Victoria, looted from Hongkong by the Japanese army. The crown and right arm were missing when the statue was turned over to Allied headquarters, which had ordered it produced on complaint from British authorities at Hongkong.

**Gen. Henri Gouraud  
1st Great War Hero  
Of France, Dies**

PARIS (AP)—Gen. Henri Gouraud, 78, one armed "Lion of the Champagne" of the First Great War, died Monday at his Paris apartment, where he had been confined for the last few months by his numerous old wounds.

The "Lion of Champagne," who won the Legion of Honor at 32, was one of the most intrepid of France's colonial fighters and administrators, as well as a distinguished commander in the Great War.

Rugged warrior of the African wars, Morocco, the Dardanelles, the Rhelms region and the Argonne, the grizzled veteran with the empty sleeve and limping walk, was admired by the population of his native Paris, where he exercised the functions of military governor.

His life was a succession of military achievements, in which he was wounded on several occasions. He was a leader of the Allied forces that turned back the Germans on the Champagne front and worked their way through the Argonne.

Gen. Gouraud visited the United States in 1923 as the guest of the Rainbow Division Association, traveling over the continent and arriving in Washington just in time to represent the French Republic at the funeral of President Harding. On his return to Paris and during his occupancy of the military governorship of the city, he was much sought after as a guest of honor at the patriotic celebrations of the American colony.

Born in Paris Nov. 17, 1867, he was named Henri Joseph Etienne. His father was a medical doctor.

**ANNOUNCEMENTS**

A salvage collection for James Bay, Esquimalt and Gorge. We collect rags, paper, household mattresses and all kinds of bottles. E 3413.

Angus MacInnis, M.P., member Industrial Relations Committee, Ottawa, speaks at 837 Pandora tomorrow at 8 p.m. All welcome.

**Canada Urges Repatriation  
Of Refugees On Voluntary Basis**

LAKE SUCCESS, N.Y. (CP)—Canada told the United Nations' Economic and Social Council today that no compulsion should be employed to force "genuine refugees" to return to their native lands against their wishes, a course urged by Russia as one means of solving the problem of Europe's 1,000,000 displaced persons.

While agreeing with Russia that repatriation should be the "primary object" of the proposed interim commission to be set up by the council to resettle and repatriate the world's homeless, Hon. Paul Martin opposed Russian delegate Nicholas Feonov in emphasizing that "no genuine refugee should be forced to return to his place of origin against his will." Russia has demanded that "traitors" to Russia and other countries be compelled to return to their native lands to face trial.

The 18-power council for four days has been discussing the problem of the millions of homeless persons left in the wake of the Second Great War.

The Secretary of State, Canada's delegate, told the 18-power body today:

"With these qualifications in mind, I agree with our Soviet colleague that repatriation should be encouraged to the full, but under no circumstances must compulsion be permitted."

**CALLED CHIEF TASK**

At Saturday's meeting, Nicholas Feonov, Russian delegate,

pointed out that the work of repatriation, which he termed the "main task" facing the United Nations' refugee commissions, had not yet been completed. He urged that repatriation, rather than resettlement outside of Europe, be the first duty of the interim commission which is to take over UNRRA's refugee activities next year.

The immediate problem facing the council is to set up interim machinery for the care and maintenance of refugees for the period when UNRRA will be winding up its activities and before the U.N.'s proposed I.R.O. can operate. A provisional first-year budget for I.R.O. contemplates expenditure of almost \$260,000,000 on care, repatriation and resettlement during 1947.

Mr. Martin noted that some 3,500 homeless persons were given temporary refuge in Canada during the war and now have been granted the right to apply for Canadian citizenship. Four thousand veterans of the Polish army in Europe also are to be admitted to Canada and will, "in due course," be eligible to become citizens and be able to bring their close relatives to the Dominion.

To Mr. Feonov, Mr. Martin said:

"I should like to assure my Soviet colleague that we are in full agreement that as many people as possible in displaced persons' camps should be encouraged to return to their countries of national origin."

**Would Set Limits  
On Teen-Towners**

VANCOUVER (CP)—H. N. MacCorkindale, superintendent of schools here, told a school board meeting Monday night that "students should be home doing assigned school work" instead of attending Teen Town gatherings on week-nights.

Mr. MacCorkindale, in answering a request by Collingwood-Norquay Teen Towners for permission to use the Norquay School auditorium "every night of the week if possible," said that high school is a "full time job in terms of efficient scholarship."

"Teen Towns should be operated Friday or Saturday nights so as not to interfere with the serious business of high school education," he added. "It is time to place emphasis on the classroom again."

The board's rental committee will confer with district parent-teachers' association officials concerning a hall for use by the Teen-Towners on week-end nights.

**Wider Field For  
Air Cadet League**

VANCOUVER (CP)—Canadian air cadets will in future become the main source of supply of manpower for the Royal Canadian Air Force, C. Douglas Taylor, national president of the Air Cadet League said here Monday night. Mr. Taylor was speaking at a meeting of the B.C. committee, while visiting here on a national tour of provincial conferences.

Equipment and instruction for the entire air cadet training program will be provided by the R.C.A.F., he said, adding that the new syllabus provides for the instruction of 15,000 cadets throughout Canada. British Columbia's quota numbers 1,067 cadets.

Mr. Taylor told the conference that, under a recent act of Parliament, the cadets will in future be known as the Royal Canadian Air Cadets.

**B.C. Practice Aids  
Birmingham Hospital**

VANCOUVER (CP)—Dr. Matthew Burn, deputy medical health officer for Birmingham, England, said in an interview Monday that he was "tremendously impressed" by the exceptionally good work carried out by city medical health authorities here and intended to incorporate several ideas gained during his five-day inspection here in a projected new hospital in Birmingham.

Dr. Burn's tour for new ideas to be used in his hospital has taken him to Sweden, Denmark, France, Germany and Switzerland. He expressed admiration for the vaccine prepared by medical authorities here for use against diphtheria and whooping cough, and said he had never seen it used before.

He intends to put it to use when he returns home.

Chrysanthemums, Dahlias, Michaelmas Daisies in profusion at the Flower Show, Friday and Saturday, Sept. 20 and 21—Crystal Garden.

**PANTORIUM PREFERRED**

For Dry Cleaning of anything from neckties to Chesterfields. Modern scientific perfection with old-fashioned painstaking courtesy. E 7155

**Weather**

Cool and cloudy weather has become general on the west coast and Queen Charlottes during the night. The Central Plateau region remains clear and variable cloudy to overcast conditions extends over the southern interior and the Kootenays. Rain has fallen in the Kootenays and over the Queen Charlottes during the night. An extensive system now approaching the B.C. coast from the west is expected to cause rain over the northern areas today, spreading southward to Vancouver Island during the night.

West Coast Vancouver Island: Overcast with rain showers today, becoming intermittent rain tonight and Wednesday. Southeasterly winds 10 m.p.h. increasing to 15 m.p.h. tonight and Wednesday. Little change in temperature.

Victoria and Vicinity: Cloudy with some clearing this afternoon and evening. Clear tonight, becoming overcast by morning with variable cloudiness during the day on Wednesday becoming cloudy during the afternoon. Light winds becoming southwest 15 during the afternoon today and southerly 10 on Wednesday. Little change in temperature.

# Customs Here Declare War On Fish Smugglers

Investigation into fish and fish liver smuggling activities out of Victoria into the U.S. is being conducted by the Canadian Customs here, G. A. Yardley, Collector of Customs, revealed today.

One Victoria fisherman has already been apprehended and fined \$400.

He faces two other charges, one under the Foreign Exchange Control Board regulations, and one under the Fisheries Act, Mr. Yardley said.

High prices paid for fish livers and the better prices paid for fish in the U.S. are responsible for the smuggling activities, according to the customs official. U.S. firms are paying as high as \$2 a pound for livers, Mr. Yardley said. Export of livers out of Canada is prohibited.

The 1,710 pounds of fish livers smuggled into the U.S. brought the Victoria fisherman \$1,495. Another 7,500 pound of cod and sole smuggled in brought nearly \$400.

The quantity of fish properly exported by the fisherman were paid for by the U.S. purchaser in Seattle by cheque, while excess fish and livers smuggled in were paid for in cash, Mr. Yardley said.

In all six charges were laid by the customs. They were: failure to report outdoors at the customs; failure to file export entry forms for the excess quantity of fish and livers; failure to secure an export permit for the excess fish and livers; failure to sell to a foreign exchange control dealer; failure to report the livers to the U.S. customs; and failure to account to the boat's

league lead with 153 runs batted in. He attended high school in Los Angeles.

## Dominion To Help Esquimalt Pay For Upkeep Of Roads

Reeve Thomas Hadfield of Esquimalt said today the municipality had received a letter from Robert Mayhew, M.P. for Victoria, indicating the federal government is willing to pay a portion of the cost of the upkeep of Esquimalt roads used by Department of National Defence vehicles during the war.

The letter, it is expected, will be discussed in detail at tonight's meeting of the Esquimalt Municipal Council, along with a letter previously sent to Mr. Mayhew by Reeve Hadfield.

## Claim By Low

LETHBRIDGE, Alta. (CP)—Solon Low, national leader of the Social Credit Party, said today he was "delighted" with the victory of the Social Credit candidate in the federal by-election in Pontiac, Que., Monday. "We were organized quite well in the constituency,"

## Reject All Bids For Repair Work On Ss. Kathleen

Shipyard bids for the extensive Princess Kathleen repair and reconditioning contract have been rejected as unsatisfactory, it was jointly announced today by Capt. O. J. Williams, manager of the C.P.R.'s Coast Steamship Service, and H. Warkman, representative of the British Ministry of War Transport.

In their statement, Capt. Williams and Mr. Warkman said tenders for repair and reconditioning of the Kathleen were opened in the manager's office of the B.C.C.S.S. Monday morning.

"Of the six B.C. ship repair firms asked to tender, four signified their intention to do so, but finally only two bids were actually submitted," their statement read.

## ASK LOWER BIDS

"In view of the fact that the time required to carry out this work, as well as the price involved were considered unsatisfactory, both bids have been rejected. The British Ministry representative and the manager of the B.C.C.S.S. are now endeavoring to get a lower figure from the various ship repair firms, as well as a reduction in the time required for the overhaul and work involved, keeping in mind that it is most essential this vessel be placed in service on the triangle route in time for the opening of the tourist season."

"It is considered, therefore, that a few more days may elapse before an acceptable tender can be submitted which will be satisfactory to both the British Ministry representative and the Canadian Pacific Railway Co."

## 60-Foot Whale Seen In Brentwood Bay

An oversize companion for fishermen in the Brentwood Bay area is a 60-foot sperm whale which has been cruising around those waters, Hugh Creed, Brentwood Bay, reported today.

According to Mr. Creed, the whale is not spoiling the fishing and does little more than provide an interesting sight for fishermen who are accustomed to him.

However, Mr. Creed admits, several unknown fishermen have had their thoughts rudely interrupted at their first sight of the huge mammal.

The whale spends its time cruising from Cowichan Bay to Goldstream and then back again. Once or twice, Mr. Creed said, he had been close enough to see the barnacles on the whale.

## Western Coal Mines Strike Improbable

CALGARY (CP)—"I am definitely hopeful agreement will be reached without resort to a strike," Robert Livett, president of District 18, United Mine Workers of America, said here in comment on the dispute between the 9,000 members of his union and domestic and bituminous coal operators in western Canada.

The union representatives met both operators groups today to attempt a further reduction in the ground separating the two parties. Mr. Livett confirmed that the operators have offered \$1.20 a day more and the union's present demand is for at least \$1.40.

The basic wage is now \$7.35 a day.

## Housing Enterprises Buys City Lots For 100 Homes

Housing Enterprises Ltd. has decided to go ahead with the building of approximately 100 houses in the northern section of the city and has agreed to purchase the block of land bounded by Tolmie Avenue, Finlayson Street, Alder Street and Quadra Street, at \$400 per lot, from the city. Ald. R. A. C. Dewar, chairman of the lands, zoning and housing committee, said today following a meeting.

The company, which is financed by the insurance companies of Canada, has asked the city to start work immediately on the installation of services for the property as it intends to let tenders for the building of the houses immediately and would like to get the basements dug and foundations in before winter, Ald. Dewar said.

Under the agreement the city will construct storm drains,

sewers, water mains, sidewalks and roads to service the property. It is estimated this will cost approximately \$53,000.

Housing Enterprises, two of whose representatives attended the committee meeting this morning, will pay cash for the property, Ald. Dewar said, and they are having a resurvey of the block immediately to determine exactly how many lots there will be.

Ald. Dewar said that Housing Enterprises had requested no tax concessions, and the property when developed will yield approximately \$12,000 annually in taxes.

The houses to be built are single-family, will be of four, five or six rooms, have full basements, furnaces and fireplaces, and veterans will be given first priority in renting them. Rents will be determined by the rental control board.

## No Milk For Children In Alberta Town For 5 Days

EDMONTON (CP)—Shortages of milk at Rocky Mountain House, about 100 miles southwest of Edmonton, received milk Monday for the first time in five days, of livestock and dairy products grew in Alberta today as more than 20,000 members of the Alberta Farmers' Union continued to choke off deliveries of farm produce in their 13-day-old strike to obtain federal recognition of their demands for parity prices, and reports received here told of fresh interruptions to milk and cream deliveries.

Meanwhile Frank Eliason, secretary of the Saskatchewan sec-

tion, United Farmers of Canada, predicted "serious" shortages of farm produce in Saskatchewan within a week. He said more than 160 communities in the northern half of the province had stopped deliveries in support of the Alberta farmers.

As Mr. Eliason announced the setting-up of a strike office in Regina, livestock, egg and poultry operators reported a 36 per cent slump in southern Saskatchewan receipts.

Milk was getting through the tightened picket lines in most sections of Alberta, but a week-end farmers' meeting at Red Deer in central Alberta voted to allow no milk deliveries except to children under three years and to hospitals and needy cases.

The hotel and two cafes at Rocky Mountain House reported milk and cream supplies exhausted and butter "almost out."

At Dawson Creek in British Columbia's Peace River block milk deliveries were reported down 50 per cent, with pickets demanding production of ration books before deliveries were made to homes with children.

## THE PHYSICALLY DISABLED VETERAN — THIRD IN A SERIES ON THEIR EMPLOYMENT

# EMPLOYERS ACROSS CANADA

*Report their experiences  
with disabled veterans—*

With thousands of physically handicapped veterans already absorbed into industry, Canadian employers are finding they are making outstandingly satisfactory employees. Here are extracts from typical letters received by the Casualty Section of the Department of Veterans Affairs:

"The work of these disabled men has been well performed, and is of a standard comparable to that done by our present employees. We have found also that the veterans have in general an extremely sane and sensible view."

Dominion Coal Company Limited  
Sydney, N.S.

"Disabled veterans, as employees, are prompt and regular attendants. Turnover, when they are placed in the proper occupation, is a negligible factor."

The Great Western Garment Company

"Absenteeism is not comparatively high with our disabled employees, and productive capacity is not hindered if proper placement is observed."

Imperial Oil Limited

"Foremen report exceptionally good experience with the disabled and have placed labour requisitions for additional disabled men. One Personnel Manager stated he had better experience with them than with able-bodied."

Pacific Mills Limited  
Vancouver, B.C.

"We find that these men (the disabled) perform their duties as well as anybody else and will, in the natural course, be in line for any promotion which comes available."

D. Ackland & Son Limited  
Winnipeg, Canada

"They (the disabled) take a more than average interest in their work, and from the standpoint of punctuality and regular attendance they are equal to, or possibly better than, average."

Taylor Electric Manufacturing Co.  
London, Ont.

These are only a few of hundreds of letters on file with Casualty Rehabilitation Officers across Canada. They prove it is good business for the veteran, for industry and for the country to give the disabled veteran opportunity to show what he can do.

Casualty Rehabilitation Officers of the Department of Veterans Affairs or the Special Placement Section of the National Employment Service will assist you in the proper placement of these potentially valuable employees.

*It's what a man CAN DO  
that counts*

# PROTEST VOTE IN PONTIAC?

VOTERS IN QUEBEC'S FEDERAL CON-  
stituency of Pontiac went to the polls  
in a by-election yesterday and upset all  
the calculations of the most astute political ob-  
servers. They elected a supporter of the  
Social Credit Party who ran under the ban-  
ner of L'Union des Electeurs, thus ending  
the steady representation of the riding by  
one or the other old-line parties. The victor  
is Mr. Real Caouette, 29 years old, who fin-  
ished third in the general election last year.  
Incomplete returns give him no fewer than  
10,515 votes, Liberal Lucien Labelle 9,896,  
Progressive Conservative Hector Belec 8,893,  
C.C.F. Bernard Molloy 1,736, and Labor Pro-  
gressive Oscar Roy 472.

From Confederation days this consti-  
tuency has divided its party allegiance fairly  
evenly between the Liberals and Conserva-  
tives at the polls, with a margin of two vic-  
tories in favor of the latter. Since 1935, how-  
ever, Mr. W. R. McDonald, whose death  
occasioned yesterday's contest, had won  
handsomely, his majorities in 1940 and 1945  
being, respectively, 8,078 and 7,109. It is not  
too much to say, therefore, that the riding's  
desertion from the traditional party line  
will be both surprising and embarrassing to  
Mr. King and Mr. Bracken. It will reduce  
the government's following in the House of  
Commons to 123—too narrow a margin to  
be comfortable in close divisions—and will  
demand adroit strategy on the part of the  
Whip in decisions of a highly-controversial  
nature. Mr. Caouette's triumph, moreover,  
breaks new ground for the Social Crediters,  
since the other 13 followers of leader Solon  
Low in the House hail from the Albertan  
stronghold of the party.

Neither the Prime Minister nor the leader  
of the Progressive Conservative opposition,  
of course, will underestimate the signifi-  
cance of the Pontiac verdict. The fact that  
so large a Liberal majority could be so com-  
pletely reversed in such a comparatively  
short time after the general election indi-  
cates clearly that it was not solely Mr.  
Caouette's espousal of the Aherhart philoso-  
phy which produced his imposing majority.  
It was obviously a protest vote—against,  
perhaps, the so-called centralization policies  
of the Dominion government. On this score,  
of course, Quebec's Premier Duplessis has  
had a good deal to say in recent months.

Regardless of the reasons for this re-  
verse for the party in office at Ottawa—  
and few at the capital expected anything  
but an easy victory—neither the C.C.F. nor  
the Labor Progressive group will be able  
to extract the least consolation from the  
result. It had been supposed, for instance,  
that in the northern section of the riding,  
where the mining elements are predomi-  
nant, Mr. Roy would have attracted many  
more than the 472 votes standing to his  
credit as this is written. In the meantime,  
however, the electors of Pontiac have demon-  
strated the truism that it is never really  
safe to bet on horse races, the weather, or  
political contests.

# THEIRS IS THE GLORY

TODAY IS THE SECOND ANNIVERSARY  
of the beginning of the historic and  
memorable Battle of Arnhem. It is to be  
marked by the simultaneous premiere in  
Ottawa, London and Arnhem of the British  
documentary film, "Theirs Is the Glory."  
This reconstructs the desperate story of the  
1st British Airborne Division, which para-  
chuted into the city to capture a bridge over  
the Rhine and hold it for 48 hours until  
relieved by the Second Army. But the  
Second Army never came; and for the sub-  
sequent nine days those few thousand men  
held on, with no tanks, no heavy guns, and  
very little ammunition—against 400,000 Ger-  
mans with 200 tanks and unlimited ammu-  
nition. Eventually they were ordered to be  
evacuated, with half their numbers killed,  
wounded or captured.

The Battle of Arnhem is one of the epic  
stories of British history, and in the film, it  
is to be noted, its reconstruction is not  
carried out with professional actors in a  
studio, but by the actual men who fought  
there and in battered Arnhem itself. And it  
glorifies human courage, depicts what men  
will go through when they know their cause  
is just; it does not glorify war. This story  
"of those filthy, grimy, wonderful gentle-  
men who dropped from the skies to fight  
where they stood" will go down on the pages  
of history with all the other episodes that  
epitomize free men's resolution to fight  
tyranny wherever and whenever it raises  
its ugly head.

# BUT SOMEBODY AGREES

WHILE THE MAJOR ATTENTION IN  
the world's political realm has centred  
on the conflicts between what, for short, is  
now called east and west, some may have  
overlooked an item of news which indicated  
that the Constituent Assembly of France had  
agreed on the first two clauses of the na-  
tion's new constitution. To be sure, there  
could be little with which to quarrel, but  
it is nevertheless refreshing that anybody

these days can agree on anything. The  
following, then, were approved:

"France is an indivisible, lay (non-clerical),  
democratic and social Republic."

"The national emblem is the tricolor flag,  
blue, white, red in three vertical bands. The  
Republic's motto is: 'Liberty, Equality, Frater-  
nity.'"

Coming from Paris, where the Peace  
Conference of 21 nations seems obliged to  
resort to almost every subterfuge in the  
diplomatic catalogue to find common ground  
for agreement, the French Constituent As-  
sembly certainly has won more than hon-  
orable mention. But if Mr. Molotov had  
been a member of the body in question, the  
tricolor would be cut up into small squares  
by this time—with the Soviet Foreign Com-  
missar threatening to walk out if the flag  
were not redesigned in a red-white-and-blue  
checkboard pattern.

# GUARDIANS OF CONSTRUCTION

FOR SEVERAL YEARS THE PACIFIC  
Coast Building Officials Conference has  
wanted to come to Victoria for its annual  
convention. War conditions and postwar  
accommodation difficulties stood in the way.  
Today, however, it opened its 24th yearly  
session in the Empress Hotel, convening in  
a Canadian city for the first time in history,  
and showing suitable recognition of the  
international flavor of its objectives and  
membership.

It is always a pleasure to welcome con-  
ventions to this capital. It is more particu-  
larly so when the organization meets to  
deliberate on questions of such vital im-  
mediate interest as construction. The sessions  
of the conference will be watched with  
more than ordinary attention by a public  
which is specifically concerned with im-  
provements and regulations in the building  
field. Members of the organization are  
largely specialists from the different mu-  
nicipal and state administrations of the  
United States and Canada. Their purpose  
is to advance progressive building legislation  
and to give fair consideration to all types  
of products used in the industry. No one  
recognizes more clearly than members of  
the conference the obstacles in the way of  
construction at present. No one understands  
more fully the dangers which would arise  
in the future from ill-considered relaxation  
of standards now. At this time their duties  
become more arduous than usual. Yet they  
must pursue a course of commonsense ad-  
vancement of community interest to raise  
the safety, health and general values of  
homes throughout their territories.

We wish them well in their deliberations  
and hope that, in the few hours of relaxation  
they allow themselves, they will find here  
the amenities described to them so convinc-  
ingly at earlier conventions by their im-  
mediate past president, Mr. D. K. Kennedy of  
Victoria.

# DEVELOPMENT NEEDED

VICTORIANS AND VANCOUVER  
Islanders need few reminders to impress  
upon them the importance of the tourist  
business. And although they may prefer  
to await announcement of official figures  
before they accept the \$225,000,000 estimated  
valuation placed on the Dominion's trade  
this season by Mr. Leo Dolan, chief of the  
Canadian Travel Bureau at Ottawa, they  
have noted the swelling volume of American  
cars thronging their highways and have been  
impressed by the revival of this lucrative  
business in the first year since the war.  
The 1946 influx, however, may be taken as  
only a sample of things to come if the po-  
tentialities of the province are adequately  
exploited.

It has been noted, in a current survey,  
that reopening of national parks from coast  
to coast has played an important part in  
attracting visitors to this country. It is a  
point worthy of consideration specifically  
in British Columbia. This province has 52  
areas of approximately 10,832,000 acres re-  
served as park lands. They offer scenery  
and recreational amenities that need bow to  
none. But their natural beauties must re-  
main hidden to those unable or unwilling  
to travel over unsuitable or virtually im-  
possible roads and trails to reach them.

Looking forward to a growing demand  
for access to this type of territory, the  
authorities might well devote thought to  
correcting a condition noted by Chief Justice  
Gordon Sloan in his 1945 report: "With few  
exceptions these areas are of the forest  
primeval, without roads, trails or other or-  
ganized park development." To reap its  
proper share of future tourist dollars British  
Columbia can scarcely afford to neglect  
such assets.

# AND WHY NOT?

WORDS OF WISDOM FELL FROM THE  
lips of United States Senator Tom Con-  
nally at the Peace Conference in Paris yester-  
day. He suggested to the Soviet Union's  
Foreign Commissar Molotov that Trieste  
be established as a truly free state—in-  
dependent of both Italy and Yugoslavia. Such  
a policy, in the opinion of the American  
delegate, could make this much-discussed  
city "the symbol of peace and security in  
the world." So it could.

Prior to Senator Connally's remarks,  
however, Yugoslavia's Deputy Premier  
Edvard Kardelj had consumed an hour in  
haranguing the Italian commission and re-  
iterating the charge that the western powers  
were attempting "to draw a heavy iron cur-  
tain around the Mediterranean Sea"—that  
Britain and the United States were opposing  
Slav demands to protect their rights and  
privileges in that area. This kind of talk,  
of course, is getting a little shop-worn. The  
voice may be the voice of Yugoslavia—to  
change the metaphor—but the political hand  
is the hand of the Kremlin.

It takes two to lose a fat purse—one to  
steal it, and one to invite loss by carrying  
too much money.

# Walter Lippmann

## THE STUTTGART SPEECH

MR. MOLOTOV does not disagree with Mr.  
Byrnes in principle Germany should  
be administered as an economic unit under a  
central German government which can work  
out "a balanced economy" to "provide the  
necessary means to pay for approved im-  
ports." A central government which is lo-  
cated in Berlin and is sovereign over the  
whole of Germany is exactly what the Rus-  
sian policy calls for. It is the kind of gov-  
ernment which suits the centralized Com-  
munist party, and the German militarists  
and bureaucrats who will be no more  
squeamish than were Hitler and Ribbentrop  
in making a deal with Mr. Molotov.

That is why Mr. Molotov is so vehe-  
mently opposed to the federalization of Ger-  
many. It would make it so much more dif-  
ficult to control Germany from Berlin.

He must be very much pleased to find  
that Mr. Byrnes has now in fact, though not  
in name, abandoned the federal solution  
which had such a promising start in the  
American zone.

IN CONCEDED this vital point to the Rus-  
sians, and in appeasing the German na-  
tionalists who from Bismarck to Hitler have  
hated the idea of a decentralized Germany,  
Mr. Byrnes has not increased his chances of  
a better economic arrangement between the  
Soviet zone and the British-American zones.  
For what he has done is to relax the hold  
of the western powers on the industrial cen-  
tres of Germany by offering to turn them  
over to a central government in Berlin. This  
central government, located in the Russian  
zone, is bound to be less amenable to British  
and American influence than would be local  
state governments in the British and Ameri-  
can zones.

The proposal, if it were adopted, is there-  
fore much more likely to give the Russians  
a hold upon the Ruhr and western Germany  
than it is to give the United States influence  
in eastern Germany. Moreover, now that the  
offer has been made on American authority  
to let Berlin be sovereign again in western  
Germany, all Germans in the western zones  
are on notice that their own personal future  
and their private interests are in jeopardy if  
they co-operate in working for states' rights  
and a decentralized Germany.

WHILE MR. BYRNES is not going to get  
immediately the economic unification  
which he wants, he will get a kind of a uni-  
fication later on, when the situation, which  
the Russians have been preparing, has ma-  
tured. But he will get the unification of  
Germany on terms he does not want—  
namely under a Berlin government which  
is subservient to and in cahoots with  
Moscow.

The Stuttgart address shows that Mr.  
Byrnes does not expect to get the economic  
unification now. All he is counting on is the  
unification of British and American zones.  
What then? He must try to induce the  
French and the Russians to give up the con-  
trol of their zones. But having recklessly  
offered to hand back the Ruhr and the  
Rhineland to a Berlin government, without  
even alluding to the constructive British  
compromise which is to make them auton-  
omous states within a German federation,  
he has taken a position to which no French  
government can voluntarily consent.

AS FOR THE Russians, they will consent  
when it suits them—that is when they  
have made sure they can dominate the Berlin  
government which Mr. Byrnes is in such a  
hurry to establish. When the time comes to  
set up that government, Mr. Byrnes will  
have little left to bargain with.

Mr. Byrnes' German policy is discom-  
bated by a basic misconception—that the  
economy of Germany can be reorganized be-  
fore and apart from the reorganization of  
the German state. In addition to weakening  
the whole position in Germany of the West-  
ern nations, this misconception prevents him  
also from having a sound economic policy.

The idea of putting a ceiling on German  
production was a counsel of desperation. It  
was adopted by the Allied governments be-  
cause they despaired of reforming the Ger-  
mans and felt that they must deprive the  
Germans of the economic power to be dan-  
gerous. But there was another solution—  
which was to decentralize the German Reich,  
to reduce radically the sovereign power of  
Berlin, to increase substantially the vested  
interests and powers of the separate states,  
and then to encourage the Germans to work  
and prosper.

THIS WAS A WAY to open up to the Ger-  
mans a decent, peaceable, honorable fu-  
ture. But having lost sight of the American  
political solution, Mr. Byrnes turns up in  
Stuttgart with this remarkable suggestion:  
if we can get the economic unification of  
Germany, we shall enforce the ceilings fixed  
under the Potsdam agreement; if, however,  
we can merge only the British and American  
zones, we shall raise the ceilings. Thus the  
industrial interests of the Ruhr and western  
Germany, both the owners and the workers,  
will find it more profitable to themselves,  
whatever the consequences to other Ger-  
mans, if the American policy for Germany  
is rejected than if it is accepted, and if the  
victors quarrel than if they co-operate. They  
can produce and sell more steel if Mr. Byrnes  
fails to persuade the Russians and the  
French than if he does.

This provides the German industrialists,  
who, let us never forget, are led by unrecon-  
structed pan-German nationalists, with a fi-  
nancial incentive, in addition to all their  
other reasons, for waiting to see whether  
Germany cannot be reunited as the domi-  
nant power on the continent of Europe.

IT IS, I SUBMIT, a reasonable conclusion  
that the intentions of the Stuttgart ad-  
dress were better than its substance.

# GLOBAL SURVEY

By DEWITT MACKENZIE  
Associated Press Foreign Affairs  
Analyst

Communism has been rejected  
by an avalanche of moderate and  
conservative German votes in the  
British and French zones of  
occupation, just as was the case  
in the American zone a few  
weeks ago; in the Russian occu-  
pied provinces of Brandenburg  
and Mecklenburg the Communist-  
dominated Socialist Party won  
by a big margin.

That's a highly significant de-  
velopment—a matter of vast im-  
port not only to Germany but to  
Europe as a whole.

The significance lies in the  
reasons why the vote in the Amer-  
ican-British-French areas  
eschewed the Redism. And per-  
haps the easiest way to get at  
our analysis is first to state the  
problems which the voters had  
to face. There were three is-  
sues involved:

1. From the moment Hitler  
came to power in 1933 until he  
died in the fortress beneath the  
chancellery amidst the smoking  
ruins of his capital, he had ham-  
mered hate and fear of Commu-  
nism into his people. To the  
average German, Communism  
was the last word in evil.

2. Before the war Germany  
was the economic keystone of  
the continent, and the consensus  
of experts is that the Reich's  
legitimate economic life—that is,  
an economy shorn of all military  
possibilities—must be restored if  
Europe as a whole is to be re-  
habilitated.

3. History will record that the  
greatest long-term disaster  
which befell Germany and nu-  
merous other parts of Europe  
wasn't material but was spiritual  
and moral destruction. Hitler  
himself was chiefly responsible  
for this because he deliberately  
debased his own people and those  
of other countries which came  
under his control.

The majority of Germans find  
no answer to any one of these  
three problems in adopting Com-  
munism.

Problem No. 1 speaks for it-  
self. Even those Germans who  
abhorred Hitlerism—and there  
were many among the older folk  
—still are fearful of the Red  
tide from the east.

Concerning the economic ills  
of problem No. 2, I found during  
my recent visit to Germany that  
there were few in the zones  
occupied by the three western  
Allies who saw any remedy in  
Communist doctrines.

The third issue—that of spiri-  
tual and moral rehabilitation—  
looms large in the calculations  
of the many who believe that

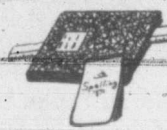

# McLeod Alberta COAL

Kirk Coal Co. Ltd.  
1239 BROAD ST. G 2743

these elements are essential for  
the stability of a nation in the  
long run.

Here again the answer is that  
Communism—which holds that  
religion is the opiate of the  
masses—obviously doesn't fill  
the bill for anyone who has re-  
ligious leanings.

# DIGGON-HIBBEN LTD.

# We HAVE Exercise Books

But everywhere the supply is  
short. Don't be caught, make  
your choice now from our  
wide selection and stock up  
ahead. All the wanted types,  
sizes and price range are  
here.

# EATING TOO MUCH?

Most People Do  
and Pay the Penalty!

Many who feel "under the weather" are  
often guilty of overeating, especially rich,  
fatty foods. This often leads to a system  
overloaded with toxic waste, a dull, tired  
feeling and eventual "middle-age spread."  
A favourite British method of keeping  
fit and trim despite rich, heavy food is to  
take Bile Beans nightly. These small  
all-vegetable pills are so gentle they are  
called "The Medicine That Wakes Up  
Nature". Most people eat too heavily,  
exercise too little, so get BILE BEANS  
from your drugist and resolve to keep  
fit and youthfully active.

# When You Feel DULL-HEADED and Down-hearted

—when your head  
feels heavy and you  
haven't the heart for  
work or play—your  
kidneys may be out  
of order. An upset  
kidney condition  
may result in back-  
ache, headaches, rheumatic pains, or dis-  
turbed rest—ailments that can make life  
seem miserable. To help get your kidneys  
working properly again use Dodd's Kidney  
Pills. When kidney action improves—your  
system is cleared of poisons and excess  
acids. You'll feel better—and work better.  
Get Dodd's Kidney Pills today.

## Victoria School Population Up 721 Over Last Term Total

Greater Victoria's school population is 721 over what it was when schools closed last June, according to the report submitted by Mrs. H. A. Beckwith for the education committee to the Greater Victoria School Board meeting Monday night.

The school population now stands at 9,658, with the biggest increase, 509, noted in the elementary schools. Junior High School enrolment is practically static, showing an increase of only 8, while the high school registration has increased by 204.

There are 183 more pre-primary students explained by the opening of four more pre-primary classes throughout the system, and 172 more Grade 1 children.

The average number of students per classroom remains within the 35 per room set as the maximum by the Cameron Report.

However, the question of school accommodation continues to be a vexing one for the School Board, with nine extra classrooms having been put into use this term, as follows: One at Margaret Jenkins, two at Bank Street, one at George Jay, one at Spring Ridge, one at Victoria West, two at Quadra Street, and one at Boleckine Road.

Effort are being made to rush conversion of the army huts into

classrooms on the Victoria College campus and at McKenzie Avenue School.

Miss M. E. Peart of Willows School was granted a four-month leave of absence by the board. Three new teachers were appointed on a temporary basis: Mrs. Frances Cook at Willows; Capt. A. M. Boyd at Victoria High; and Mrs. P. Chater at Oaklands. Placed on probation for one year were Miss A. M. Cox, Victoria High; Miss K. B. Youdall, Oak Bay High, and Mrs. A. Hennings, Lampson Street. Mrs. M. A. Johnson was named as a relieving teacher.

## School Board Briefs

The St. John's Ambulance Brigade was granted permission by the Greater Victoria School Board to use the basement room in the old Oak Bay High school on Friday afternoons from 4 to 5:30 o'clock.

Oaklands Parent-Teacher Association was given permission to carry on its Teen Club in the school on the same terms as last year.

It was decided to reorganize the janitor system at Victoria High School with the retirement of John Leask, head janitor, so that there will be someone on

## City Wants Rent From School Board

The notice from the Victoria City Council that the Greater Victoria School Board would be

charged \$100 a month for rental of its offices in the City Hall, dating back to the formation of the Union Board, April 1, caused considerable consternation at the board meeting Monday night.

Chairman Austin I. Curtis pointed out that the board had no money in its estimates for such an expenditure, and Trustee R. H. Green questioned whether the council could announce in August that it was charging rent back to April.

Trustee Martin Paine insisted that the same amount of city school business was still being done in the offices as under the pre-union scheme and could see no reason why rent should be charged at all.

Mr. Curtis was instructed to take the matter up with the city finance committee and see what arrangements could be made.

## MAPLE LEAFS PRACTICE

The Maple Leaf first division juvenile soccer team will hold a practice Wednesday at 6:30 at Heywood Avenue. All of last year's players, and any others interested are asked to attend.

duty from 8 in the morning until 11 at night on regular shifts, thus eliminating overtime night work for some of the staff.

## No Charge Allowed For Entertainment In District Schools

The Greater Victoria School Board was firm in its decision Monday night that it was not going to permit commercial entertainment ventures in the schools.

The question arose over a request from William C. Nelson for permission to stage his marionette show at the different schools, and he asked a guarantee of \$10 for each performance.

Immediately Trustee Waldo Skillings and Trustee R. H. Green questioned if there were any particular educational values to such a show, and on being assured by Trustee Mrs. H. A. Beckwith that there was, they insisted that no charge should be made to school children to see the performance in the schools.

"This could be just the thin edge of the wedge," commented Trustee Skillings. "If we let this show in on such a basis we will be deluged with requests to allow commercial entertainment in the schools."

It was suggested that the P.T.A.'s might be willing to finance the venture, but Maj. Green was against this, too, pointing out that the School Board should not request the P.T.A.'s to finance school affairs.

It was finally decided that the question should be left to the individual principals for decision whether they want the show put on or not, with the definite understanding that no child could be charged to attend the performance.

## Anscomb Says B.C. Voters Apathetic

What he termed "the tremendous apathy of the people" in voting was criticized by Hon. Herbert Anscomb, provincial Progressive Conservative leader, in an address Monday night to the Oak Bay Progressive Conservative Association.

Mentioning that in the Point Grey election only 42 per cent of the voters went to the polls, Mr. Anscomb said, "When it comes to expressing their views on provincial matters, the people seem backward."

He said four or five survey parties were now in the Peace River area, seeking to determine how much coal was in the district and along what route the Pacific Great Eastern Railway should be extended to tap this resource. It was almost a foregone conclusion, Mr. Anscomb said, that there was enough coal in the region to warrant the extension of the railway.

Americans were definitely interested in buying the railway, as a connection with Alaska, he said.

Mr. Anscomb held that industrial unrest which had sprung from Communism was one of the gravest problems confronting Canada, and that it had been a mistake to ban Communism during the war. He said the ban had given the Communists prominence and had made the Labor-Progressive party more active.

## Couple Fined For Dangerous Driving

Two motorists whose cars left the road in accidents not involving other cars were fined \$40 and \$35 Monday on dangerous driving charges to which they pleaded guilty in Esquimalt police court.

Charles P. Dunaway was fined \$40 and his driver's license was suspended two months and Leonard Home was fined \$35 and his license canceled for one month.

Constable B. Tweedhope of the Esquimalt police testified Dunaway's car went off the road on Lampson Street near Devonshire Road late at night on Sept. 9, went 50 feet before it careened to the other side of the road, went 97 feet, then overturned spilling passengers out, and when it righted itself went another 96 feet before stopping. Three passengers were hurt.

In Home's case, Chief G. Stancombe testified a naval staff car driven west by the accused on Esquimalt Road skidded onto the streetcar tracks and traveled over 100 feet and hit a telephone pole before it swerved to the other side of the road and went 54 feet, coming to a stop against a rock bank.

Damage to the cars in both cases was extensive, the officers testified.

## Mayhew To Address Local Laurier Club

Robert Mayhew, M.P. for Victoria, will address the Laurier Club Wednesday at noon in Terry's dining-room. Mr. Mayhew will review the recent session of Parliament. Ralph Mathews, president of the Laurier Club, will be chairman.

## BANK CREDIT BRIDGES THE FINANCIAL GAP

Every day, business firms make use of bank loans to keep men working, machines running, goods flowing. This bank credit may be used to meet continuing expenses while goods are being processed; to build up stocks of raw materials; to purchase component parts. As finished goods reach the market and payment is received, the loan is repaid.

Enterprising farmers, fishermen, merchants—all make similar use of bank credit to meet their short-term financial needs. Thus your bank helps Canadians maintain steady operations—to take advantage of market opportunities both at home and abroad—to grow. And this, in turn means more work, more goods, a higher standard of living for you and for every Canadian.

Reid's Bronchitis Remedy is on sale for 35c and 50c at all Cunningham Drug Stores and other drug stores.

### Exchange Nuptials, Home In Kimberley

A trip to Vancouver and Seattle following which they will make their home in Kimberley, B.C., are the plans of Miss Rhoda Louise, eldest daughter of Mr. and Mrs. T. H. Pellow, 1431 Vinling Street, and Herbert Simon Lindquist, eldest son of Mr. and Mrs. O. Lindquist, Kimberley, B.C., who exchanged vows Monday evening at Metropolitan United Church.

Escorted down the aisle by her father, the bride was gown in white sheer, with shirred bodice and floor-length skirt featuring draped fullness over the hips, sweetheart neckline with net yoke outlined in sheer ruffling. Her fingertip veil was held by a bandeau of fresh flowers. She wore a strand of pearls, the groom's gift, and carried a shower bouquet of red roses and swainsons.

Miss Honora Pellow was maid of honor for her sister, in a gown of pink, with lace bodice and net skirt over mauve taffeta, and her headdress was a matching lace covered calot edged with veiling. Miss Ruth Thomas, as bridesmaid, was gown in pink figured organza over taffeta with matching calot and mitts. They carried arm bouquets of pink carnations.

Assisting the groom were the bride's three brothers. Groomsman was Gordon Pellow and ushering were Raymond and Thomas Pellow.

Rev. Dr. A. E. Whitehouse read the service.

A reception followed at the Pellow residence, where Mrs. Pellow assisted in welcoming the guests. The bride's toast was proposed by her uncle, Fred Pellow. A three-tier wedding cake, flanked by lighted white tapers, was cut by the bride and groom. For travelling the bride chose a tailored suit of chocolate brown with fuchsia topcoat and hat, dark brown accessories and pink rose corsage bouquet.

### Canadian Woman Heads World Girl Guides

PARIS (CP)—The 11th International Congress of the Girl Guides World Association, attended by 200 delegates from 20 countries including Canada, concluded its sessions today.

The World Association elected Mrs. John Corbett of Montreal as chairman of the nine-member executive committee.

Canada also was represented by Mrs. Norman Gianelli of Barrie, Ont., and Mrs. Gordon Conant of Oshawa, Ont.

**flavor MAKES THE FEAST**

**HP MAKES THE MEAL**

Gives gravy new appetite appeal

### Wins Business Women's Scholarship

Miss Vera Pearson, daughter of Mr. and Mrs. P. Pearson, Beckley Avenue, has won the 10th Bay Wigley scholarship presented by the Victoria Business and Professional Women's Club. This award is given to outstanding students of the commercial course at Victoria High School each year.

### Evelyn Johnston Wed In Quiet Ceremony

Given in marriage by her brother, Donald B. Johnston, Miss Evelyn Elizabeth Johnston became the bride of Sqn. Ldr. John Woolgar Griffith Monday evening at the home of her mother, 1320 Dallas Road.

Rev. William Allen performed the ceremony, which united the second son of Mrs. M. G. Griffith of Vancouver and the late H. S. Griffith and the second daughter of Mrs. C. Johnston and late John Johnston, in a setting of roses, zinnias and chrysanthemums in autumn shades.

Miss Margaret Husband played the wedding music and "When Song Is Sweet" was sung by Miss Florence Smith during the signing of the register.

Plans were made to distribute paper match packages inscribed with a picture of the Solarium throughout local stores to replace penny jars used in the past. Committee in charge will be Mrs. N. Norman, Miss Margaret Drinkwater and Miss Mil-dren Jones.

The bride's sister, Miss Ellen Johnston, was her only attendant. She wore a soft green dress with felt hat, brown accessories and a corsage bouquet of roses. Groomsman was Earl Dickinson. Mrs. Johnson assisted the couple in receiving guests following the service. The bride's toast was proposed by David Sinclair.

For the honeymoon trip, the bride donned a coat of soft blue with deep fur trim, over her wedding gown, and she wore a corsage bouquet of roses. Sqn. Ldr. and Mrs. Griffith will reside in Vancouver.

### Engagements

Announcements to appear under this heading will be accepted at the Times Advertising Department. Minimum charge \$1.00 for 10 lines and 15c for each additional line.

Mr. and Mrs. Henry S. Hughes announce the engagement of their daughter, Bette-Eileen, to Squadron Leader Lawrence Hutchinson, R.A.F., son of H. J. Hutchinson of Sedburgh, Yorkshire, England. The wedding will take place at noon, Sept. 26, at Washington, D.C.

Major and Mrs. H. D. Seale, 1027 Deal Street, announce the engagement of their daughter, Desirée, to Mr. Stanley James Meyers of Montreal. The wedding to take place shortly.

### Y.W.C.A. Open House

Thursday evening is the date set for Open House at the Y.W.C.A., when an opportunity will be given for registrations for classes and clubs to be held during the autumn and winter, including leathercraft, glove-making, sewing and bridge.

Miss Evelyn Rhodes, president of the Girls' Council, will introduce presidents of various clubs. Mrs. Seymour of the Overseas Club will tell something of the work and interests of this group. Mrs. Goodspeed, leader of the Keep-fit class, will lead group games. Miss Charlotte Crawford and Miss E. Barker are in charge of community singing. Mrs. W. H. Wilson and Mrs. C. Conyers will conduct the Y.W.C.A. girls' choir. Mrs. W. G. Wilson and members of the girls' program committee are in charge of the refreshments.

Victoria Purple Star Lodge, No. 104, L.O.B.A., Wednesday at 8, Orange Hall, Courtney Street. St. Barnabas Anglican Players, opening meeting, St. Barnabas Hall, corner Cook and Caledonia, tonight at 8.

### Solarium Juniors Plan Activities

Members of Queen Alexandra Solarium Junior League met Monday with the president, Mrs. H. B. McClung, in the chair.

A rummage sale will be held Oct. 6 and a Farmerette Dance on Oct. 24 at the Crystal Garden. Miss Gwen Mann will convene the dance, assisted by Mrs. H. J. Damasko, Mrs. J. Scaplen and Miss Joan Bird. The Christmas Pantomime, "Aladdin and His Wonderful Lamp" will be sponsored in December, also early in the new year, a concert by B.C. Electric Glee Club of Vancouver.

Plans were made to distribute paper match packages inscribed with a picture of the Solarium throughout local stores to replace penny jars used in the past. Committee in charge will be Mrs. N. Norman, Miss Margaret Drinkwater and Miss Mil-dren Jones.

Mrs. C. H. Miller announced a sum of \$202.73 cleared at the summer garden party and Miss Kathleen Malloy reported \$146.41 raised through checking at various functions. Mrs. D. A. McRae reported on Christmas cards being made and sold by members.

Four new members were accepted. Mesdames Brenda Stinson, John Bray, J. A. McCague and W. Fraser. Mrs. W. Cuzner was returned to active membership.

A social meeting will be held Sept. 30 at Prince Robert House. Committee in charge will be Mrs. D. A. McRae, Mrs. D. R. Wheldon and Miss Kathleen Malloy.

### Club Calendar

Victoria Purple Star Lodge, No. 104, L.O.B.A., Wednesday at 8, Orange Hall, Courtney Street. St. Barnabas Anglican Players, opening meeting, St. Barnabas Hall, corner Cook and Caledonia, tonight at 8.

## Personal Notes

Lieutenant-Governor W. C. Woodward and Mrs. Woodward entertained at dinner Monday evening in honor of Mr. James Muir, manager of the Royal Bank of Canada, Montreal, Mrs. Muir and their daughter, Miss Heather Muir, who are guests at Government House.

Miss Mary Twigg Woodward, who returned to Government House from California a few days ago, left for Vancouver Monday night.

Mrs. Arthur Ross, 3615 Cadboro Bay Road, entertained at luncheon at the Oak Bay Golf Club today, in honor of Mrs. James Muir, and Miss Heather Muir of Montreal.

Mrs. E. Sheppard, 30 King George Terrace, left Monday for Kamloops, where she will be the guest of Col. and Mrs. A. Parlow.

Miss Doris Ashdown, 634 Michigan Street, has returned to the city after being the guest of Dr. and Mrs. Charles Bastin in Vancouver.

Miss Marcia Dorman, Newport Avenue, leaves Wednesday for Toronto University where she will enter her graduation year in occupational therapy.

Lady Swettenham returned to the city recently, after vacationing at Jasper Park with Mrs. Jonathan Rogers of Vancouver. They also motored to Mount Rainier.

Mr. and Mrs. W. A. Cloke and their sons, John and Brian, flew back to their home in Kingston, Ont., where Mr. Cloke is with the Aluminum Company of Canada, after spending a month's vacation with his mother, Mrs. J. S. Cloke, 500 Oliver Street.

Mrs. P. Thomson and Mrs. Neil McKay, Oakland, Calif., have been the guests of Mr. and Mrs. E. O. Hancock, 2860 Dysart Road. They left Monday for Cowichan Lake, where they will visit Mr. and Mrs. A. C. Hancock before returning to California.

Capt. Harold S. Dixon left for Vancouver Sunday where he will later be joined by his mother, Mrs. Gordon Dixon. They will reside in the mainland city. After Capt. Dixon is discharged from the army he will engage in chemical research with Lauck's Limited.

Miss Rita Nevard left Monday afternoon for London, Ont., where she will enter the Musical College affiliated with University of Western Ontario to continue her musical studies. Miss Nevard is the daughter of Mr. and Mrs. Percy Nevard, 1887 Cochrane Street.

Mrs. John R. Costigan of Victoria, celebrated her 88th birthday last week-end in Vancouver, with a quiet family dinner at the home of her son and daughter-in-law, Mr. and Mrs. Gerald Costigan. Mrs. Costigan is the house guest this week of Mrs. H. G. O'Loane, and will return to Victoria at the end of the month.

Miss Marjorie Cooper and Mrs. Shirley Robertson entertained recently at the home of the former, 475 Walter Avenue, with a kitchen shower in honor of Mrs. B. O'Callaghan, nee Eileen Rice, a September bride. The principal and her mother, Mrs. T. R. Rice, were presented with corsage bouquets on their arrival. Other guests were Mesdames J. Priestly, J. Wight, H. Dods, C. Armstrong, E. Cooper, M. Bradshaw, B. Cooper, E. Johnstone, W. Leal and Misses Lucille Rice, Margaret Brien and Kathleen O'Callaghan.

Honoring Miss Toleta Williams, a September bride-elect, Mrs. Charles Martin was hostess Monday with a miscellaneous shower at her home, 1940 Brighton Street. Gifts were presented to the guest of honor from a hand-painted box decorated in white and blue. Miss Jean Kerr entertained with two piano solos. Other guests were Mesdames M. Williams, C. Kerr, F. Williams, T. Williams, L. Fraser, Ida Tomashavsky, H. Morris, O. Pettigrew, Campbell, Barry and Misses Delys Jones, Georgina Farrant and Elaine Silburn.

Miss Marylin Saunders, who is a nurse in training at Vancouver General Hospital, is spending a short holiday at Langford, the guest of her sister, Miss Beth Saunders, 7114 Island Highway.

Miss Josephine Seabrook, Langford, is spending a week's holiday at Sidney, V.I., the guest of her brother-in-law and sister, Mr. and Mrs. Thomas Morgan.

### Island Highway Notes

St. John Ambulance

Denton Holmes Nursing Division will meet tonight at 8 at headquarters. Oak Bay Nursing Division No. 176 will meet on Sept. 24 at 1230 Government Street. A. J. Dallain-Nursing Division No. 210 will meet Sept. 20 at headquarters.

Project Continued—It was decided to continue a project of maintenance and support of two cots in the children's ward of the Jubilee Hospital, at a meeting of the Venture Club of Victoria. As an additional project, the club will take part in the International Soroptimist and Venture project, which is sending food and clothing parcels monthly to Europe. The president was in the chair. Reports of summer activities were heard and committees appointed for the year.

Mr. and Mrs. D. L. Hickey of San Mateo, Calif., are renewing old acquaintances in the city. They are staying at the Strathcona Hotel.

Mr. and Mrs. C. L. McLaughlin, 441 Victoria Avenue, returned recently from a month's fishing trip to the interior of British Columbia.

Recent Victoria guests at the Shawnigan Beach Hotel have included: Mrs. J. N. Hatch, Mr. and Mrs. N. L. Craig, Mrs. Andrew Gray, Mrs. E. M. Wood, Mr. and Mrs. B. H. Tyrwhitt-Drake, Mrs. S. J. Ross, Mrs. A. Lindner, Mrs. K. Perrier, Mrs. H. Matthews, Mrs. Harrison Young and Mrs. Bulmer.

Mr. and Mrs. E. G. MacMinn are entertaining today at an after-five party at their home, 1759 Rockland Avenue, in honor of Mr. James Muir, the new general manager of the Royal Bank of Canada, Mrs. Muir and their daughter, Miss Heather Muir, who are making a brief stay in the city.

Major and Mrs. John Bassett Jr. of Montreal and Sherbrooke, Que., are staying at the Empress Hotel for a holiday of several days. Later they will visit Vancouver where Maj. Bassett will see several members of the Seaforth Highlanders of Canada, with which regiment he served during the war.

Mr. and Mrs. D. O. Cameron, 3245 Beach Drive, left Sunday for Seattle to commence an extended holiday trip, motoring through California and the Southern States. They will visit relatives in Tennessee and Texas. While they are away, Mr. and Mrs. Richard Laird will occupy their home.

Mrs. J. E. Morry, 1339 Stanley Avenue had as her house guests for the week-end Mrs. Kay Lacey of Moncton, N.B., and Miss Loretta Crane of Quebec City, who had been attending the national convention of the Catholic Women's League in Vancouver last week. Mrs. Lacey returned to Vancouver to visit friends and Miss Crane went on to Seattle to spend a few days prior to returning to their homes in eastern Canada and the Maritimes.

Mrs. Gordon Mackintosh was hostess recently at her home, 1320 Dallas Road, with a miscellaneous shower in honor of Miss Betty Johnston, whose wedding took place Monday evening. Mrs. C. Johnston presided at the tea urns and Mrs. C. Sanson assisted the hostess in serving refreshments. Other guests were Mesdames R. Couch, C. Wharton, Misses E. Johnston, P. Wharton, C. Wharton, E. Mansfield, Barbara Sanson and Maureen Mackintosh.

Miss Babs Reeve-Hawkes and Miss Kay Burns were hostesses Sunday afternoon at the home of the latter, Niagara Street, with a miscellaneous shower in honor of Miss Babs Chambers, who is to be married Wednesday night. Corsage bouquets were presented to the honor guest, her mother, and the mother of the groom-elect. Refreshments were served from a table decorated in bright autumn colors. Mrs. J. Marsons and Mrs. W. Calder presided at the urns, while Miss Helen Ferguson assisted the hostesses in serving. Other guests were Mesdames T. Burns, A. Ferguson, B. Chambers, T. Kershaw, A. Whyte, J. Hickman, Misses Doreen Patterson, M. Tupman, Marjorie Hurst, Mary Dryburgh, Audrey Draper, Gayle Calder, Cynthia Farrant and Eileen Crowther.

The hall was decorated with masses of chrysanthemums, golden rod and roses. A three-tiered wedding cake, decorated by Mrs. James Roger, Esquimalt, centred the bride's table, flanked with tall white tapers in silver holders. Refreshments were served under the convenship of Mrs. Harry Dawson and Mrs. R. L. Cox.

Certificates Given—Life membership, certificates were presented to Miss K. Oldfield and Mrs. A. P. Hobbs, at a meeting of Royal Oak Women's Institute. The president was in the chair. Plans were made for a November bazaar and it was decided to sponsor a sewing class for grades 3 to 6. A baby shower was held for a young mother in Holland, the daughter of an Institute member.

### 25th Anniversary Celebrated Monday

Over 200 members of First United Church gathered Monday evening in the church hall to honor their minister, Dr. H. A. McLeod, and Mrs. McLeod on the occasion of their 25th wedding anniversary and also the 25th anniversary of Dr. McLeod's induction into the ministry.

Dr. Murray Anderson was chairman for the evening and J. Ingram-Smith was in charge of the musical program, which included solos by Miss Kathleen Paulin and John Bray. Rev. T. Menzies proposed the toast to the bride of 25 years ago and Mrs. R. H. Nash presented Dr. and Mrs. McLeod with a case of sterling silver in lacepoint pattern, with the best wishes of the congregation. Mrs. J. A. Heritage presented Mrs. McLeod with a corsage bouquet of gardenias and roses.

The hall was decorated with masses of chrysanthemums, golden rod and roses. A three-tiered wedding cake, decorated by Mrs. James Roger, Esquimalt, centred the bride's table, flanked with tall white tapers in silver holders. Refreshments were served under the convenship of Mrs. Harry Dawson and Mrs. R. L. Cox.

### Tag Day At Races

A tag day held at the Willows Race Track Saturday, by members of the Queen Alexandra Solarium Junior League, realized a sum of \$221.66 for the work of the league. Mrs. H. V. Basset was convener of this project.

**Royal Oak**—The meeting of Royal Oak P.T.A. was held with T. Goddard, vice-president, in the chair. Delegates were chosen for meetings of the district council. It was moved that the district council be asked to have a modernized version of the Bible used for school readings, and that selection of readings be revised. A monthly prize and pennant will be awarded to the division having the best representation of parents at P.T.A. meetings which will be held the first Monday of each month. A bazaar is planned for the end of November.

**Willows**—Mrs. E. Castain was appointed convener for the Halloween party on Oct. 31, at a meeting of Willows P.T.A. Mesdames R. Lockhead and W. Wells will be in charge of the Christmas bazaar on Nov. 22 in the school auditorium. A review of playground work was given by the president, E. Greville-Jones and consideration was given to increasing the period of operation for these activities. Mrs. E. F. Fox was named first vice-president to replace Mrs. P. G. Burnett, who has left the district.

**Tries B.C. Clay**

A fine-textured clay recently discovered in northern British Columbia is being hailed on the west coast as literally a cure-all, but unlike the concoctions of circus medicine men, this remedy has received approval of the Vancouver Medical Association. In the picture here, pretty (you'll have to take our word) Eileen Hamilton uses it as a mud pack. "It really blots out those wrinkles," she smiles. It is also said to deal successfully with ailments such as ulcers, nerve disorders, arthritis, rheumatism, athlete's foot, burns, skin eruptions and stomach disorders.

**News of Clubwomen**

**Plan Shower**—Primrose Lodge No. 32, Daughters of Empire, met with the president, Mrs. B. Langly, in the chair. Plans were made to hold a shower at the next meeting, for the bazaar. A tea will be held at the home of Mrs. E. Bissenden, 3346 Doncaster Drive, Sept. 24 at 8, with Mrs. Bissenden and Mrs. Ostler as hostesses.

**First Meeting**—The executive meeting of Juvenile Musical Arts Society was held at the home of Miss Jean Robertson, 1070 Holmes Avenue. Plans were made for the first general meeting to be held Oct. 12 at the Truth Centre at 245. Membership tickets will be available at the first concert at the Empress Hotel and also at the first meeting.

**Card Party**—The Sooke and North Sooke Women's Institute held their monthly meeting with Mrs. G. A. Acreman presiding. It was decided to send a donation to the Red Cross. Mrs. R. Lindley was nominated official delegate to the South Vancouver Island District conference, Oct. 1 and 2. A 500 party will be held in Sooke Hall, Sept. 19, with Mrs. Acreman and Mrs. J. Forrest convener.

**Beta Sigma Phi**—A meeting of XI Chapter, Beta Sigma Phi, was held at the home of Mrs. M. Darling, 1037 Craigdarroch Road. The president, Miss I. Jewel, led

a cultural program assisted by Misses Brenda Phillips, Betty Dawson, Phyllis Fox and Mary Alexander. The next meeting will be at the home of Miss Mary Alexander, 1249 Rockland Avenue, Sept. 25.

**Entertains Group**—Mrs. Luther Holling was hostess to the Loyal Group of Metropolitan W.A. with a luncheon at the home of her daughter, Mrs. H. F. Lord, Cedar Hill Cross Roads, recently. Mrs. Lord entertained with two solos, accompanied by Mrs. Gilbert at the piano. Plans were made for the Fall Fair of the W.A.

**Entertain Clergy**—The Women's Parish Guild, Christ Church Cathedral, will entertain clergy attending the Deanery Conference on Sept. 26, at a luncheon. It was decided at a meeting presided over by Miss M. Lettice. A letter of thanks was sent to Miss Bernice Hughes and to James Bay Guild for help at the garden party which realized a sum of \$331.03 for the guild. Treasurer's report showed a balance of \$512.77. A donation of \$450 was made to the cathedral church committee. Mrs. S. R. Richardson was appointed convener of the autumn tea on Oct. 25, with Miss K. Jaffray in charge of a miscellaneous stall. Mrs. George Miles was elected corresponding secretary.

**Delegates Visit City After Convention**

The national executive of the Catholic Women League of Canada, with delegates from all sections of Canada, were entertained in Victoria last week-end, following the 26th annual convention held in Vancouver.

Mrs. W. J. Dundin of Montreal, newly-elected national president, called to order the first meeting of the new executive in the parlors of Loretto Hall, following afternoon tea served to the 68 guests by the Reverend Missionary Sisters. Miss J. Madeline Clay, Victoria, was again chosen national convener of health.

Acting as hostesses for the Victoria visit were Mrs. A. Smith, diocesan president and Mrs. Blair Reid, provincial chairman. Assisting them were Mesdames Macklin and Romanchuk, Esquimalt; Mrs. J. Dobbie, Lake Hill; Mesdames Bedad and H. P. Olson, Langford; Mrs. F. Doherty, Oak Bay; Miss Margaret Morry, Victoria Juniors; Mesdames P. C. Shaw, G. Hartnell, G. Taylor and Miss J. M. Clay, Victoria Seniors.

Visitors were entertained at luncheon at St. Mary's Priory, Barnard Avenue, where the junior subdivision of Victoria presented corsage bouquets to visiting officers and to Mrs. F. Coffey, an outstanding life member, and former national president. Monsignor A. B. Wood, O.B.E., addressed the gathering. Rev. Lewis McLellan of Queen of Peace Church and Rev. J. Kennedy were also guests.

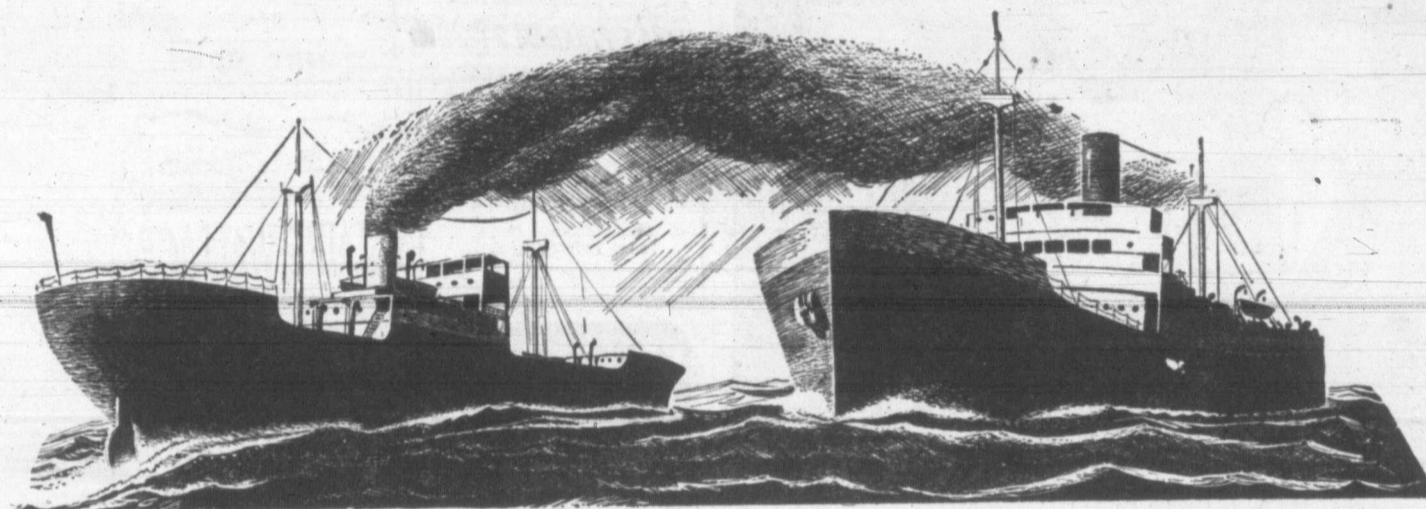

**Native Daughters**—The meeting of the Native Daughters of B.C. was presided over by Mrs. J. A. Lorimer, past chief factor. A report of the Craigflower committee was presented and Mrs. J. King reported on the garden party. A sewing meeting will be held at the home of Mrs. J. A. Lorimer, 128 Rendall Street, Sept. 26.

**BLACKHEADS**  
 Don't squeeze blackheads—dissolve them. Get two ounces of peroxide powder from any drug store and apply gently with wet, hot cloth over the blackheads. They simply dissolve and disappear by this safe simple method.

**The magic circle**

**1** Producing goods to load the outgoing ships creates more business for all. For instance...

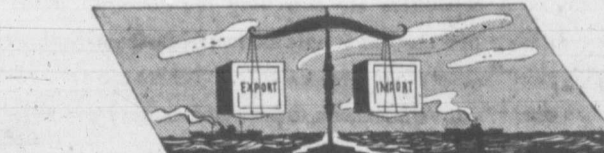

**2** Farmers raise more products to be sold in other countries...

**3** There are more jobs in factories, as more goods are manufactured to sell abroad...

**4** We get better values at home, too, for it costs less to make goods in large quantities...

**5** The money we get from our foreign customers helps us to pay for goods they make and we need...

Look at these ships. When both ride low in the water, we have good times. Do you know why?

The Outgoing ship is loaded with goods we make, and production of these goods makes work and wages. The Incoming ship is loaded with foreign goods. These goods also make work and wages; they are either used in manufacturing or retailed in our stores.

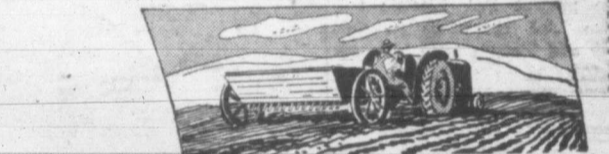

This Magic Circle of Foreign Trade pays more than one-third of all the wages and salaries in Canada. It creates work equal to 3 jobs in every 8. This means your pay envelope, your job, or your business profit—not just some other fellow's.

And here's how you can help to keep the Magic Circle producing good times for you: First, be cheerful and patient when you are asked to wait a little longer for merchandise you want. Give the people who produce it a chance to ship all they can overseas, for if we do not supply our foreign customers NOW, we will lose them. Second, put your best into everything you produce, for some of it will find its way into foreign markets... where it will either make or mar our future business.

Everyone who buys or sells goods abroad helps create prosperity in Canada. That is why we have a Foreign Trade Service in the Department of Trade and Commerce. It maintains Trade Commissioners in 29 countries, and an experienced export and import staff at head office, to collect the most up-to-date information on foreign markets, and give practical help to every business that wishes to buy or sell in other countries.

**6** So our factories get the imported materials they must have... like tin, chemicals, fibres...

**7** Some of these materials become binder twine, bags, insecticides and other items that help our farmers raise and market their crops...

**8** And we all get a variety of things we cannot grow here, such as tropical fruits, coffee... for our tables...

**9** Or cottons and linens, for our clothes... rugs for our floors... gasoline for our cars...

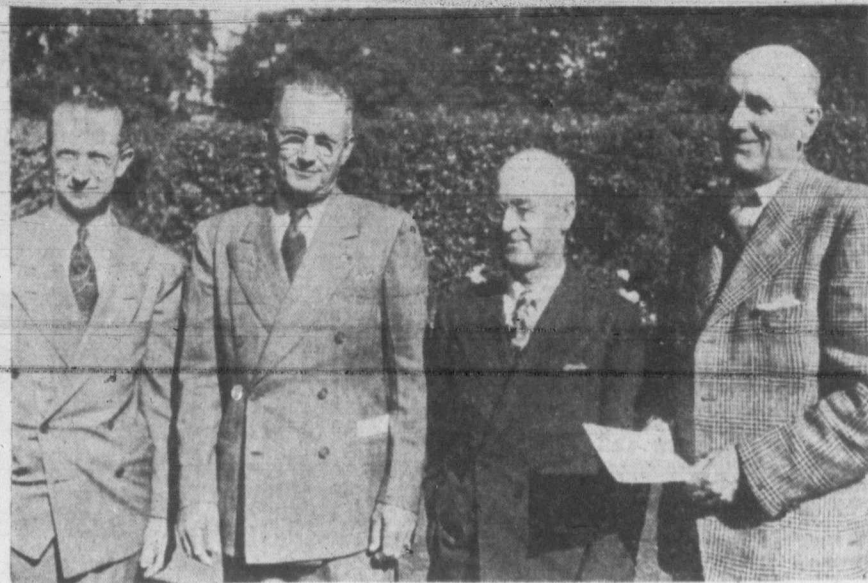

**10** So everyone has better times, more money to spend, and better merchandise to spend it on.

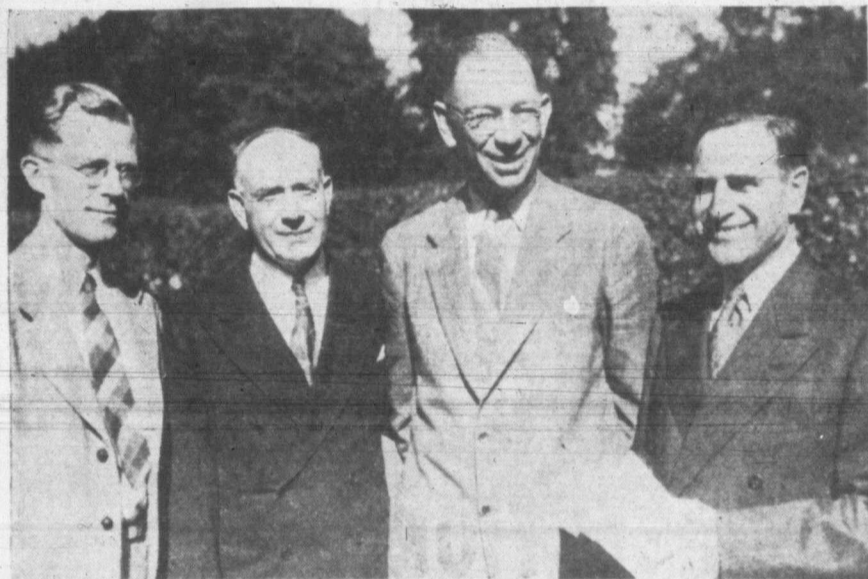

HON. JAMES A. MACKINNON, MINISTER  
 M. W. MACKENZIE, DEPUTY MINISTER

**DEPARTMENT OF TRADE AND COMMERCE, OTTAWA, CANADA**

## Building Officials Convene In City

Executive members of the Pacific Coast Building Officials Conference, which opened its 24th annual session in Victoria today, pose in the garden at the Empress Hotel. Left to right: Hal Colling, managing secretary, Los Angeles; Harold Rasmussen, building inspector, Santa Ana, Calif.; first vice-president; J. H. Park, city manager, Compton, Calif.; president; and D. K. Kennedy, immediate past president and former building inspector for Victoria.

Left to right: C. D. Griffin, acting chief, Los Angeles County, Department of Building and Safety; A. W. Russell, building inspector, San Mateo County, Calif.; L. A. Ferris, Reno, Nevada; and Rolland Cravens, Los Angeles.

## More Buses Needed To Unify Services On Oak Bay Run

The only means of overcoming the difficulty of integrating the present B.C. Electric and Blue Line operations in Oak Bay and Victoria is to have additional buses to handle overloads, W. C. Mainwaring, B.C. Electric vice-president, said today.

"In this connection, the Blue Line is even shorter of buses than the B.C. Electric," Mr. Mainwaring added. "Until such time as additional buses are received it would appear that both operations must remain intact. One factor which could bring the change would be the negotiating of the new franchise under which the final routes will be laid down and there would be no possibility of having the conflict between the Oak Bay and city routes," he said.

Mr. Mainwaring explained that traffic officials of both the Blue Line and the B.C. Electric had been studying the problem of integrating the services, and agreed that Oak Bay residents would suffer materially if the integration were brought about immediately.

## Report Given On Health In Schools

Twenty-three per cent of beginners in Esquimalt and city schools and 20 per cent of the teachers have received their medical examinations, Dr. R. A. Smillie, school medical health officer, reported to Monday night's School Board meeting.

During the month of August he stated there were 39 cases of mumps among city children, four cases of rubella and four skin conditions discovered among the children. A total of 249 home visits were made by personnel in the health department.

During the month there were also 12 well-baby clinics held, with 294 attending. Of these 250 were babies and 44 pre-school-age children.

There were 61 immunizations given, 10 for diphtheria, one whooping cough, 31 combined diphtheria and whooping cough, six scarlet fever, seven smallpox and six others.

In Oak Bay schools there were 135 pre-primary and beginning school children given medical examinations the School Board was told, and 74 new students at the

high school were also examined. Only infectious diseases were little has been done yet in reported were three cases of Oak Bay on teacher examination chicken pox.

## Few Help Revise B.C. Voting System Says Nancy Hodges

Although many criticisms were voiced by British Columbians who were, for various reasons, left off the voters' list prior to the last provincial election, "lamentably few have availed themselves of the opportunity of helping to revise and modernize the present electoral system," Mrs. Nancy Hodges, M.L.A., told a public meeting under the auspices of the Esquimalt Liberal Association last evening.

She recalled that this chorus of complaints led to the appointment of a special committee of the Legislative Assembly to consider and revise the provincial system. Its first step was to send out 3,000 questionnaires to representative citizens and organizations, asking their opinion on various systems and methods of voting procedure.

The result was most disappointing, only 286 troubling to reply—of whom 48 were from Esquimalt alone, Mrs. Hodges noted. Such indifference she scored as deplorable, particularly at the present juncture when democracy

is being put to the acid test the world over.

## FAVOR SIMPLER SYSTEM

For that reason she welcomed the fact that, of those who did trouble to reply, the majority were overwhelmingly in favor of a simplified system of compulsory and perpetual registration, which would do away with the present unsatisfactory method of pre-election enumeration. Under this plan, too, the voter would be given a card which, Mrs. Hodges said, would serve as positive identification not only for purposes of voting but also in connection with applications for

licenses, when crossing the border, and similar requirements.

The appointment of a permanent provincial electoral officer would also, in the opinion of the majority of those questioned, she

said, go far toward removing some of the present causes of annoyance.

The replies also showed a preponderance of opinion in favor of a secret postal absentee ballot which would permit invalids to

vote. Under the present system they are unable to exercise this privilege, the speaker noted.

The meeting was held in St. Paul's parish hall. Commander C. T. Beard, M.L.A., also spoke briefly.

## New Way To Help Gain Weight

Are you underweight, nervous, tired, lacking in appetite, and in need of help to promote strength and energy? If so, here is good news. A scientist in Hollywood, California, the home of glamorous movie stars, has perfected a compound called **Bureids** which usually brings quick aid in building blood and strong healthy bodies and normal weight. **Trial Offer:** Bureids has now been made available at most drug stores in Canada. To prove what Bureids may do to help you, get Bureids from your druggist today and take it for just 3 days. See the results for yourself. Unless Bureids helps you the way you expect, just return the empty package and your money will be refunded immediately.

SUPREME COLD WAVE HOME KIT AT ALL DRUG STORES, COSMETIC AND VARIETY COUNTERS

Now Only \$135

# "What about my new car?"

Your dealer would be a happy man if he could give you the exact delivery date of your new car. Even if that date were six months away, it would give you something definite to go on. But he can't because we can't tell him how many cars will be delivered to him this year... or even this month.

The main reason is shortage of materials. Not only our own, but those of 1,200 feeder plants from whom we buy. Our expeditors are searching the country trying to keep our slender supply of materials from running out: "When can we get steel?"... "Where can we find tires?"... "How soon can we get textiles?"

In spite of all our efforts, this year's production looks like a child's sandpile against the mountain of urgent

orders for new cars and trucks... more than a four-year accumulation of demand. Now and then, for short periods, our output resembled our pre-war production. Now dwindling stockpiles have already forced us to adopt a three-day workweek. And by the time you read this, production of cars and trucks may have entirely ceased.

It isn't a bright picture, but we think Canadians would rather have cold facts. So the answer to your question about your new car is really out of our hands.

This problem can't be solved overnight. But whenever materials are available, our assembly lines will be moving—no matter how difficult or complicated the job may be.

### Women's Auxiliary To Alcoholics Anonymous

VANCOUVER (CP)—A group of Vancouver women has announced formation of an organization which they believe is unique in the history of the city's social service activities, and possibly unique in Canada.

It is a woman's auxiliary to Alcoholics Anonymous, a society formed with the idea of curing alcoholics.

The woman's auxiliary was formed because the women believe that a drunkard's family is in a preferred position to help or hinder the task of restoring him to sobriety and keeping him that way.

### INCOME WAR TAX ACT CO-OPERATIVE

**Deductions for "payment" made on a patronage basis to customers**

A regulation has been issued and is available at all offices of Inspectors of Income Tax and through the Canada Gazette, which provides in effect that if the following form of advertisement is used by co-operative companies, adopting the term or terms and the parenthetical clause appropriate to their particular circumstances, such co-operative companies shall be deemed to have complied with the requirements of the act, provided the co-operatives publish this advertisement prior to the first day of October 1946, and otherwise comply with the requirements of the act:—

"As required by the Income War Tax Act, this will advise our shareholder-customers, customers, patrons or members (including members only), (including non-members), (including both members and non-members), as referred to in the said act as amended, that in accordance with the terms and conditions, and within the times and limitations contained in the said act, as amended, it is our intention to pay a dividend in proportion to the 1947 patronage out of the revenues of the 1947 taxation year, or out of such other funds as may be permitted by the said act, and we hereby hold out the prospects of the payment of a patronage dividend to you accordingly."

DEPARTMENT OF NATIONAL REVENUE

C. FRASER ELLIOTT,  
Deputy Minister.

JAMES J. McCANN,  
Minister.

### Saanich Schools Operate In Shifts; Buildings Under Way

Overcrowding in several Saanich schools is such that school children are required to attend classes in shifts until such time as the building program now under way can be completed, and extra halls hired to accommodate the children, John Gough, municipal inspector of schools, said today.

At both McKenzie Avenue School, where an army hut is being converted into classrooms, and at Tillicum School, where there is an overflow of Grade 1 students, the children attend in shifts. The problem of hiring an extra hall for Tillicum School, where work on the new auditorium is progressing very slowly, is under consideration.

The building and grounds superintendent, R. H. Smith, has men working on the conversion of the army hut in an effort to get it into use as quickly as possible.

Today the new technical shops at Mount View high school were put into operation, with lathes and other machinery being set up. They will serve the boys from Grade 7 to 12 for manual training in the inner wards of Saanich, Mr. Gough said. In the two classrooms and large workshop classes will be given in woodwork, metal work and drafting.

Only hold-up in the Cloverdale School new building is the non-arrival of the unit heaters, which Mr. Gough was informed today, are now enroute. Lights and fixtures have also to be installed.

Good progress is being made in the new eight-room school at Doncaster Avenue, Mr. Gough said, with the final section of the roof being put on today. It is hoped to have this school in operation by January.

Tolmie auditorium is also nearing completion, with heating units being the main problem here, too.

### Pupils Miss Classes In School Dispute

RICHMOND, B.C. (CP)—Forty elementary first and second grade pupils, whose families live in emergency huts on nearby Sea Island, still are without a school following the collapse of transportation arrangements here Monday night.

The arrangements broke down when the Richmond Municipal Council refused to pay half the cost of the transportation, amounting to \$12 a day.

Richmond officials said the federal government must pay the school transportation on the basis of an agreement made two years ago protecting the municipality from any expenses arising from the establishment of the community for Vancouver evictees.

Richmond receives no taxes from the settlement and Vancouver offered temporary free use of Maple Grove School facilities for the children, but refused to supply transportation for the six-mile journey. "The provincial government has offered to pay half the cost, and ruled that Richmond must contribute a like amount."

### Offers Prairie Soil To Victoria

Some of the prairie visitors to Victoria are apparently more impressed with the weed-grown vacant lots than the beautiful gardens of private residents.

Mayor Percy George today was sent a clipping from an Indian Head paper, which printed a letter received from H. Wyer, who said he had now taken up residence at New Westminster.

In his letter back to the home

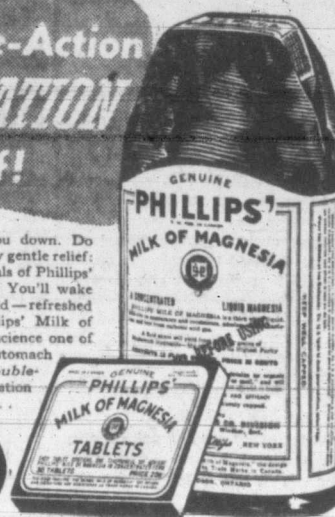

folks in Indian Head Mr. Wyer suggested that the best Christmas present that could be sent to a Victoria garden enthusiast would be a 100 pounds of good, rich Indian Head soil, to serve as top soil for a Victoria vacant lot to turn it into a garden spot instead of a weed-infested plague spot.

He had little good to say for Victoria soil, but paid high praise

**Get Double-Action CONSTIPATION Relief!**

Don't let constipation get you down. Do this for effective, yet remarkably gentle relief: Simply take 2 to 4 tablespoonfuls of Phillips' Milk of Magnesia with water. You'll wake up feeling on top of the world—refreshed and bright. In addition, Phillips' Milk of Magnesia is acknowledged by science one of the fastest neutralizers of excess stomach acidity known! Thus you get double-action relief—fast acid indigestion and sluggishness. Remember.

It costs as little as 25¢ TO BE SURE OF THE BEST

to the local gardeners who work so hard to make their gardens lovely.

W. E. Clothier of 1170 Chapman Street sent the item to Mayor George.

On a trip throughout the coast area, Joe Torrens, general manager of Vreeland & Co., sales

agents for Grove's Cold Tablets and other products, will visit Victoria on Sept. 25 and 26. He will stay at the Empress Hotel.

### WHY IS COCOA NOURISHING?

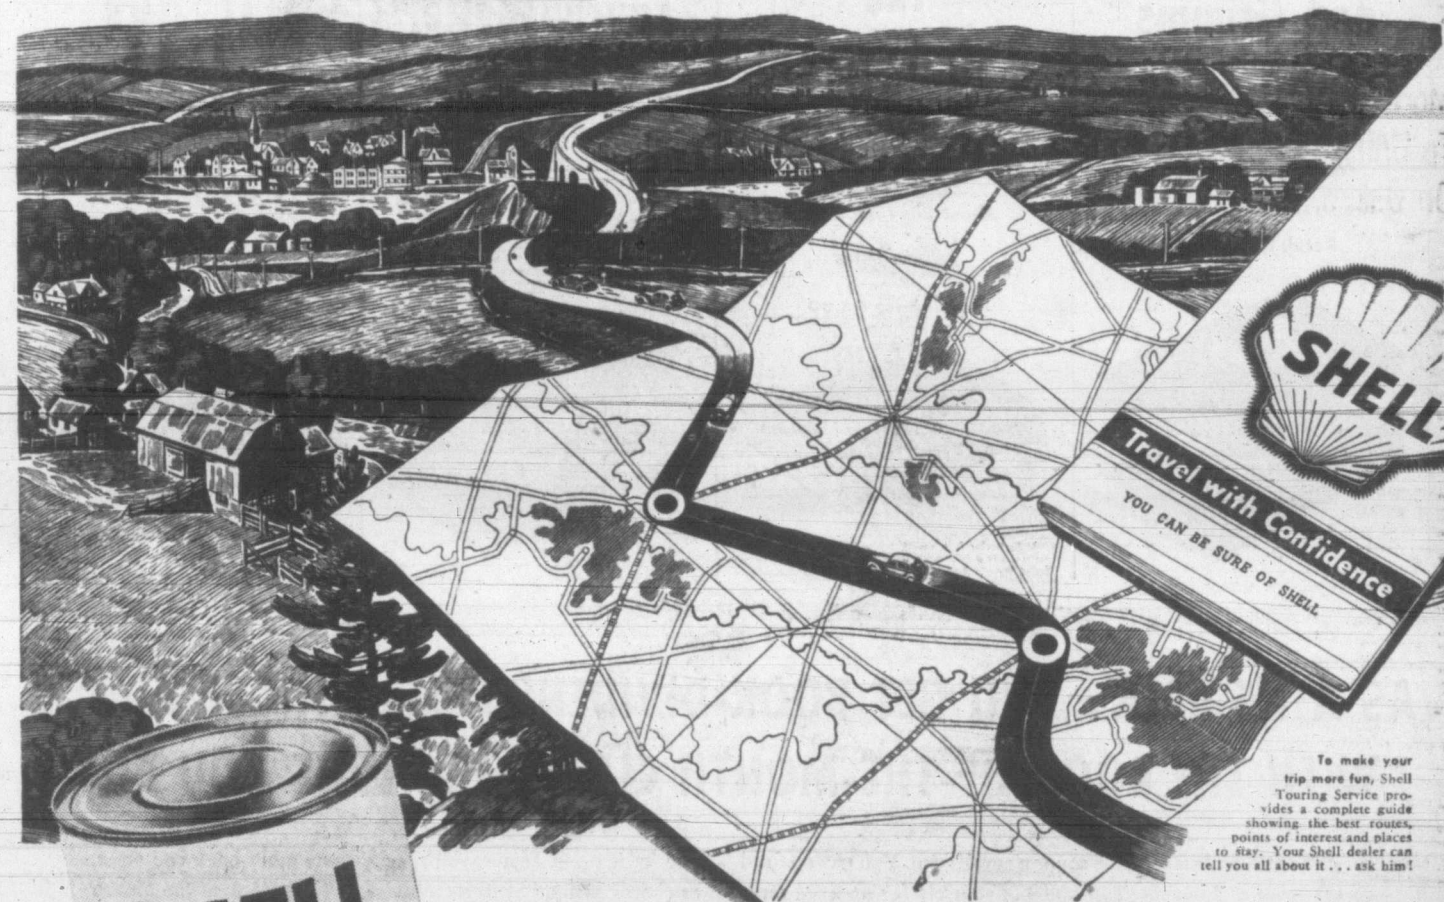

Cocoa is nutritious because of its high protein, fat, carbohydrate, and mineral content.

PERFECTION COCOA is exceptionally rich in these valuable energy-giving elements because it is guaranteed to contain 22% of rich, nourishing Cocoa Butter.

For an economical, nourishing food-drink which the whole family will enjoy, be sure to buy PERFECTION COCOA. Regardless of price, there is none better. Yet PERFECTION COCOA costs less!

## MOTOR OIL WITH "X" SAFETY FACTORS GIVES BRITISH COLUMBIA MOTORISTS EXTRA PROTECTION!

### Why your car needs extra protection of "X" Safety Factors in Shell X-100

Your car is called on to make longer, faster trips these days which offer a special danger to its veteran motor—serious damage that can occur if ordinary oils fail to give lasting, efficient protection.

Do what motorists here, as in other sections, are doing... change to Shell X-100... the more efficient lubricant that protects motors with scientifically developed "X" safety factors.

Created by Shell Research specifically to meet extreme driving conditions, Shell X-100 was developed in Shell's great laboratories out of the same tough base stock used to protect war planes... and it contains the "X" safety factors scientifically designed to give extra protection critically needed by worn motors.

Play safe with your motor—have your Shell

dealer drain and refill today with this remarkable premium motor oil—Shell X-100! It costs a little more; but it's worth a lot more!

If you are one of the lucky few able to get a new car, you will be even more anxious to protect your motor's precision parts with the "X" safety factors of Shell X-100.

45¢ A QUART

**"YOU CAN BE SURE OF SHELL!"**

## Churches Commemorate Battle Of Britain

In remembrance of the R.A.F. which six years ago won the Battle of Britain against odds of 10 to 1 in an unprecedented aerial battle in the history of warfare, churches of all denominations offered special prayers of thanks.

giving in Victoria on Sunday.

Special prayers of thanksgiving were offered at Christ Church Anglican Cathedral and at St. Andrew's Roman Catholic Cathedral. Presbyterian and Baptist congregations as well as other religious denominations also commemorated the occasion with special prayers.

"Thanks to you, Grandpa Kruschen..."

## My Headaches Are Practically Gone

From a letter written by a Mrs. Dunn we quote:

"I would like everyone who suffers from headaches to try Kruschen. Before taking Kruschen, I had headaches almost every day. But since I have been taking it faithfully I have hardly had a headache, for which I am very thankful, as headaches can make one feel quite ill. For as long as I felt it was necessary, I have taken Kruschen each morning in a glass of warm water, before breakfast, and I feel so well."

Mrs. A. E. Dunn.

The reason Kruschen often gives relief from common or bilious headaches, is because this saline treatment helps your system rid itself of underlying causes. Kruschen aids elimination and supplies the body with minerals which may be deficient in the diet. Take Kruschen faithfully for a month. Give this well-known saline treatment a chance to help relieve constipation and biliousness and see what it does to your headaches. That usually goes with these complaints. Kruschen is 25c. and 75c. at all drug stores.

## City Restaurants Seriously Short Of Waitresses

Restaurant owners in Victoria are in a dilemma as the shortage of help grows steadily worse with the return of hundreds of part-time workers to schools and universities.

The labor situation in the restaurant business, bad for the past six years, was somewhat eased this summer when proprietors hired teen-aged girls and prospective university students as temporary workers. But with the opening of schools, the majority of girls returned to their studies leaving the restaurants in a worse position than they have ever before.

Restaurants, cafes and lunch counters in the district nearly all report they are short of staff. Some restaurants need four or more waitresses.

A large number of proprietors are waiting on the customers as well as attending to the cash register and paper work, while many staffs are working overtime.

Some proprietors say that if it wasn't for their staff volunteering to work overtime they would have difficulty in carrying on business.

Nor is there hope of the situation improving. National Employment Service manager C. A. Mudgey said almost all Pacific

Coast regions had reported a shortage of women for all classification of employment.

The shortage of women is due to the fact that many have retired from the labor market, he said. Some have been married, and others are not working.

Mr. Mudgey denied that the shortage of women help might be due to the return of hundreds of women to their homes in eastern Canada since the end of hostilities.

"There are still many eastern women living in British Columbia," he said. "There is no evidence that they have returned to eastern Canada."

## Y.M.C.A. To Form Teen-Age Club

Peter Spence, secretary of the "Y" boys' club, announces the formation of the Y.M.C.A. Teen-age club for young men and women 16 to 18 years of age.

This club should appeal to young men of this age group, as a youth membership will give them two gymnasium periods, two swimming sessions, and an opportunity to participate in photography or one of the other hobby classes.

Young women may enjoy the facilities of the Monday night hobby classes and dances.

Registrations are now being received at the Y.M.C.A. for the club.

The opening night has been set for Oct. 7.

## Loopers Expected To Re-attack Oaks In Saanich Highlands

Oak loopers, the foliage-eating insects which ravaged oak trees in the Highland district of the Saanich Peninsula this summer, probably will infest the trees in ever greater force next year, an official of the forest insect investigation branch of the Dominion Department of Agriculture said today.

The official said it was typical of broad-leaf trees to put on new foliage even this late in the year, after having the first foliage destroyed. The Saanich oaks which were stripped by the loopers have been reported bursting into leaf again.

However, he said, replacing its leaves is a great strain on a tree, and if the tree is attacked for several years in succession it will die.

Worst attack by the oak loopers, he recalled, was in 1917, when practically all the oaks on the Saanich Peninsula were stripped. However, most of the trees survived that attack.

Because the Saanich oaks are valuable only as shade trees, he said, it would be up to residents to protect them if they wished.

"But it is of no use to spray only part of a tree," he added. "A tree will have to be completely sprayed from top to bottom to protect it."

## Hudson's Bay Company.

In accordance with the City By-law

The Bay's Meat Department will be closed all day Wednesday

Food Departments will remain open for the sale of groceries and butter.

## Stowaways Here Got More Adventure Than Hoped For

Bob McKenzie, 18, and Jack Weston, 23, stowed away aboard a ship at Sydney, Australia, eager to see the world, but, in seeking adventure, they got more than they bargained for. The two youths visited Victoria over the week-end as guests of Mr. and Mrs. D. McKenzie, 2821 Shelbourne Street. Bob and Jack stowed away in a lifeboat on the B.C. bound freighter Derrynunhy and when they became hungry they surrendered to the captain, who radioed Sydney that he had a couple of stowaways aboard.

The Sydney police had been searching for a gunman known as Martini and an accomplice, who were reported to have shot two detectives in a gang fight.

When the Sydney police heard of the Derrynunhy's stowaways they were convinced they were the men being sought. Australian newspapers gave front-page spreads to the capture of the alleged gunmen on the high seas.

Subsequent radio messages, however, straightened the matter out and the two youths were put to work on the freighter. Both youths have previous sea service. Weston served six and a half years in the Royal Australian Navy.

"They hope to see the world but do not want to go back to Australia."

## 2 Bids Submitted For Duck Block

Two offers have been received for purchase of the Duck Block, Ald. R. A. C. Dewar, chairman of the lands, zoning and housing committee, said today.

The bids will be considered at Thursday's City Council meeting when it is anticipated there will be considerable opposition to the sale of the building unless the offers are high. Several of the aldermen, notably Ald. H. M. Diggon and Ald. Margaret D. Christie, feel the building should be retained in the city hands for use as civic offices.

## Junior Chamber To Name 7 Directors

By mail today a list of 14 names were forwarded to members of the Victoria Junior Chamber of Commerce to make their final ballot for election of seven directors.

The five getting the greatest number of votes will be declared elected for a two-year term. Next two highest in votes will be elected for one-year terms.

The nominations for the directorate posts are: A. A. Baker, P. W. Bell, G. D. Campbell, P. Frampton, J. M. Fuller, T. E. Gray, G. T. Greenwell, J. Harbord, J. A. Marriott, D. McPhail, N. H. Parkins, J. E. Presley, H. S. Rowland and G. E. Wilson.

## Executive Changes In Roofing Company

R. W. Mayhew, M.P., president of Sidney Roofing and Paper Co. Ltd., announces the appointment of his son, Logan Mayhew, to the post of vice-president and managing director of the firm and its subsidiaries.

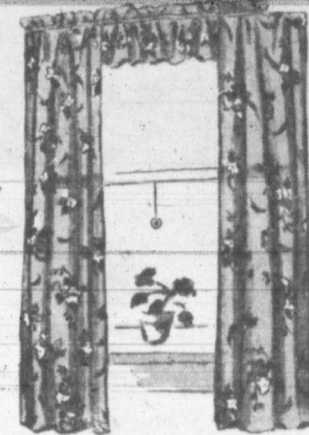

In announcing changes in the executive management, Mr. Mayhew reported Arch Welch has been appointed general manager. He will continue to occupy his former position as secretary-treasurer.

Mr. Mayhew said the changes were made due to staff enlargement and considerable development work "and to take some of the load off my son." He pointed out the firm had a large staff for its two subsidiaries in Vancouver.

## Fishing, Hunting Hold Spotlight On Local Sports Scene

The happy smile T. J. Hocking, uncle of Victoria's well-known Ross "Bud" Hocking, is wearing in this picture was prompted "by the best fun I've ever had in my life." The fish laid out here comprise the catch—eight coho and 35 grise—he, Bud and John Hocking landed in the waters off East Point, South Saturna Island, last Wednesday on Roseguard plugs, abalone and other small spoons with two or three ounces of weight. T. J. Hocking, who spent all his business life in Seattle, is now retired. When he isn't traveling he lives in Victoria. Reports up to this morning continue to tell of "splendid fishing" in the same waters.

## Y.M.C.A. Opens Fall Program After Great Summer Campaign

Announcement of the fall program of physical training at the Y.M.C.A. brings to light the outstanding successes scored by the flying "Y" during the past summer.

The Victoria "Y" swimming team, recognized as one of the outstanding in Canada, added many laurels to its already large list this year. Members journeyed to Portland where they won the P.N.W.-Y.M.C.A. title for the first time. The team of 18 that represented the local club at Kelowna was the premier squad at the meet, and took 16 firsts, 19 sec-

onds and 10 thirds to win the team aggregate. Peter Salmon won the senior men's trophy for top honors and Eric Jubb captured the junior men's aggregate.

Jack Crendon, Eric Jubb and Peter Salmon went to Hamilton for the Canadian championships and made a clean sweep of the junior men's events. The local boys cracked the only two Canadian records that were broken there.

With Bruce Humber and Archie McKinnon handling the track and field team, its members enjoyed their usual success as they participated at the police sports and Caledonian games in Vancouver, the local Highland games and wound up the season with the Labor Day meet at Nanaimo.

Spike Dalziel, Cliff Salmond, Harry Mitchell and Bill Dale turned in smart performances in the men's division, while Elaine Sturme and Patricia Fleming stood out for the girls.

A large part of the splendid showing of the "Y" athletes is due to the training they receive from the hands of such capable instructors as McKinnon and his efficient staff.

Complete schedule for the weeks starting Sept. 16 and 23 follow:

Sept. 16—Gymnasium classes: Junior school boys, Monday and Thursday, 4.15 to 5.15; junior employed boys, Monday and Thursday, 7.15 to 8.15; high school boys, Tuesday and Friday, 4.15 to 5.15; intermediate employed boys, Monday and Thursday, 8.15 to 9.15; junior gym leaders' corps, Saturday, 10.30 to 11.30; preparatory boys, Saturday, 9.30 to 10.30.

Sept. 16—Swimming classes: Midget club, Wednesday, 5 to 5.45; junior club, 7.15 to 8; senior club, Wednesday, 8 to 9, and Saturday, 7 to 8.

Sept. 23—Young men's class: Tuesday and Friday, 5.30 to 6.30; senior businessmen's class, Monday and Thursday, 5.30 to 6; senior businessmen's volleyball, Monday and Thursday, 6 to 7; senior gym leaders' corps, Tuesday and Friday, 7 to 8.

Opening dates for other classes will be announced later.

## New York Rangers Buy Jack Church

WINNIPEG (CP)—Manager Frankie Boucher of New York Rangers of the National Hockey League announced today here at his club's annual hockey school that he had purchased defenseman Jack Church from Boston Bruins for the waiver price of \$5,000.

Church, 31, was born in Kam-sack, Sask., and turned professional with Syracuse Stars in 1936. From there he went to Toronto Maple Leafs and later to Boston where last season he played in 43 games, scoring two goals and assisting in two others.

## DODGERS GET CARS

BROOKLYN (AP)—Branch Rickey, president of the Brooklyn club, announced today the game with Chicago Cubs Monday that all members of the Dodgers who qualify for a full share of world series receipts—whether the team finishes first or second—will receive 1947 automobiles as a gift of the ball club.

## Californians Do Well With Tye At Port Alberni

An indication of the brand of tye fishing being enjoyed in Alberni waters these days is contained in the report, for last week which revealed 2,242 pounds of the fish caught on rod, reel and line.

The most successful party of the week was the foursome from California composed of Mr. and Mrs. J. Harris and Mrs. G. Pitts and S. Pitts. Among them they scored tye totaling 376 pounds.

Following are a few anglers who weighed in tye over 35 pounds: Nick Zallo, Port Alberni, 43½ pounds; Mrs. G. Pitts, California, 39 pounds; S. Pitts, California, 39 pounds; Mrs. J. Harris, California, 36 pounds; J. Harris, California, 43 pounds; Ken McKenzie, Port Alberni, 35 pounds; Bud Carter, Port Alberni, 35½ pounds; J. Blower, Port Alberni, 35 pounds; C. Blower, Port Alberni, 43 pounds; A. Gregolett, Port Alberni, 39 pounds; J. Beck, Port Alberni, 35½ pounds; R. J. Acheson, Seattle, 35½ pounds.

## Herbie Quon Heads Chinese Students

At the annual meeting of the Chinese Students' Athletic Club last night, president Herbert Quon and treasurer Jack Lee were re-elected; Bill Lowe was named English secretary, Peter Wong, Chinese secretary, and George Lowe and Wallace Lee appointed to the executive.

Three minutes silence was observed in respect of the memory of the late Albert Mar, founder of the club, who passed away recently.

It was decided that an Albert Mar memorial trophy will be donated by the club for competition in sport. The most appropriate sport to have this trophy would be basketball, as the Chinese Students have had at least one club in the Victoria and District League for the past 14 years.

With the return of 20 student members from the armed forces the basketball teams expect a great year, with three teams to be entered in the league this season.

Congratulations were extended to Bill Lowe, who piloted the students' football team to the Victoria senior B section championship this season.

## Jack Turner Drops Decision To Olivera

SPOKANE, Wash. (AP)—Tony Olivera, 119, San Francisco, Monday night won a close decision over Jackie Turner, 117, Vancouver, B.C., in the 10-round main event of an outdoor boxing card curtailed because of rain.

The young Canadian met Olivera on virtually even terms throughout the speedy match, and the veteran Californian's edge in the finish was a narrow one.

## LACROSSE MEETING

A meeting of the Greater Victoria Box Lacrosse Association will be held tomorrow night at the British Public Schools Club, Langley Street, at 7.30. All delegates and officials are requested to attend.

**Chrysanthemum Show**—Crystal Garden, Friday and Saturday, Sept. 20 and 21. The best of blooms and the latest varieties.

Fifteen-year-old Murray Macdonald, 2847 Dysart Road, is shown with the weighty buck deer he brought down in Campbell River's fertile deer country in the opening days of the 1946 open season over the week-end. The hole in the right side of the antlered specimen's head speaks of good marksmanship. The youngster, who has been gunning for game for two years, was hunting with his father, Clyde Macdonald, who also got a buck. They bagged a dozen blue grouse but brought back only nine because their dog, of the hunting breed who has been brought up as a pet, ate three of them.

## THE VICTORIA DAILY TIMES SPORTS

TUESDAY, SEPTEMBER 17, 1946 PAGE 11

## Veteran Sporri Leads Riders At Willows

A little wizened fellow, who has been coming to the Victoria races for so long most of the fans have forgotten when he made his first appearance, is far out in front as the leading rider at the current Willows racing meet. He is Emil Sporri, veteran Swiss hardboot, who in his 57 mounts to date has picked up 16 firsts, 13 seconds and seven thirds, for a point total of 93. In second place with 55 points is Alex Haller, while Johnny Hruschak is third with 46.

After failing to make the winner's circle on Saturday Sporri got down with a pair of winners on yesterday's card. Both his winning mounts were odds on favorites, Best Dressed in the first and Magic News in the fifth. In addition he had one second and one third during the afternoon.

Ninth day produced little excitement as the favorites or second choices prevailed. Prices, however, were generally good despite the small fields.

Featured Qualicum Handicap, a sprint over five and one-half furlongs, went to the favorite Gallamar. Jockey Haller hustled the Cox Brothers' mare into the rail position at the first turn and never looked back, withstanding a strong stretch challenge from the aged Sunny Park. Early Day held on to third money after moving into that position in the backstretch.

## DR. POOK WINS

Twelve-year-old Dr. Pook found the track to his liking to take the second heat by half a length from the favored Franklin D. Taking command of his field in the backstretch the old fellow fielded on in the final drive. He combined with Best Dressed for a daily double payoff of \$13.60.

Third race, another five and one-half furlong event, with two-year-olds making up the field, produced the longest win tag of the afternoon when Lumby grabbed the lead at the three-quarter pole and won in a photo finish with Pondo Py. The public choice, Jegny's Lass, was third. Lumby returned \$11.60, \$4.50 and \$3.10 across the board.

White Moss marked up his second win of the meeting in the fourth. Slightly overlooked in the betting a nose bet on him was worth \$10.55. Taken to the top in the mile event he had plenty in reserve to lead from gate to wire, with Act Three second and Bruno's Touch, the favorite, third.

In the seventh Paper Heels blanketed his field from start to finish with the favorite Sword Dance taking second. A one-two ticket on the pair was worth \$13.75.

## LEGION PRIZE

Canadian Legion soccer team will train at Macdonald Park at 7 tonight and Thursday in preparation for an exhibition game with Oak Bay at the same park on Saturday at 2.30.

## Cards Will Face Formidable Cubs In Stretch Drive

St. Louis' glee over Bill Nicholson's grand-slam home run that sunk the Brooklyn Dodgers should be tempered by the knowledge that the Cardinals must face the self-same Chicago Cubs in six of their remaining 11 games.

If Nicholson, despite his 223 batting average, suddenly reawakens in the final weeks of the season, it will be the Red Birds who will bear the brunt of his attack.

By that time it might make no difference for St. Louis holds a two-game advantage with time rapidly running out in their favor. The Brooks are now one down in the loss column and three on the winning side with only 13 to play as compared to 11 for the Cards.

Charley Grimm's Bruins, obviously nettled by the cold statistics that prove they were just a "one shot" champ, are pouring it on down the stretch, playing each game as though it were the pay-off tilt in the world series.

The idle Cardinals picked up half a game yesterday. They set back to work today with their final game of the season at New York while Chicago finishes its 1946 business at Ebbets Field.

## CINCH FOURTH SPOT

Billy Southworth's Boston Braves clinched fourth place, the first time they have finished in the first division since 1934, by shutting out Cincinnati 4 to 0 in a night game.

Kenny Raffensberger of the Phillies whitewashed Pittsburgh 2 to 0 in the other night game at Shibe Park. Charley Gilbert drove home the winning run in the sixth and the other scored on an error by catcher Hank Camelli.

Detroit protected its 2½-game edge over New York in the second place scrap in the American League by hammering Bobo Newson from the hill in downing Washington 11 to 7.

New York Yankees outlasted St. Louis Browns 7 to 5, Joe DiMaggio driving in three runs to help reliever Joe Page pick up his ninth win.

## Carnera Scheduled To Wrestle Here

Primo Carnera, former world heavyweight boxing champion will show in Victoria on Saturday night on Promoter Rocky Brook's wrestling card at the Armories.

Brooks announced that he is trying to match the 250-lb. Carnera with Tiger Bob Sharkey, so the fans should see plenty of action when these two big boys get together in the ring.

Chief Thunderbird top grunt and growler of these parts will also appear on the card, but his opponent has not been named as yet. It will be the first appearance of the colorful Chief in his home town for some time.

## Major Hockey Teams Usher In Lengthy Campaign Oct. 16

MONTREAL (CP)—With the dropping of the first puck Wednesday, Oct. 16, the National Hockey League squads break from the barrier for the 23-week grind that will wind up late next spring with the crowning of the Stanley Cup holders.

The official 1946-47 schedule, released today, shows the six big league teams will open eight days ahead of last year's opening date, Oct. 24; while they will slug it out six days later in the spring, winding up their year's activities March 23, instead of March 1 as last year.

The extra two weeks were added to the schedule to make room for the extra games each squad will play 60 games this season instead of 50 as in the last few years of the six-team loop. But despite that, a glance at the schedule shows that all teams will have a full book of

## Announce United Team For Soccer Saturday

Intercity football, Pacific Coast League version, will return to Victoria Saturday night when Victoria United engage North Shore at Athletic Park under the floodlights. Play will start at 7.30 with George Barnes as referee and Speller and Clancy running the lines. Manager Ralph Cosier today released a tentative line-up for the Victoria club, stating the team has practice sessions scheduled for tonight and Thursday and a definite team would not be known until Friday morning.

## Danish Girl Gives Up Channel Swim

DOVER, Eng. (CP)—Elna Anderson, Danish swimmer, gave up an attempt to swim the English Channel today three hours and one minute after entering the water at Cap Gris Nez, France.

She was nearly blinded by salt water when pulled from the channel—the result, she said, of having used a prewar pair of goggles.

The 37-year-old swimmer said she hoped to try again next year. Jorge Berroetta, Chilean, who failed on his second attempt last week, also said he hopes to try again in 1947.

## Dobler Brilliant As 'Peg Bombers Turn Back Calgary

CALGARY (CP)—Winnipeg Blue Bombers—particularly a bomber of the atomic variety named Wally Dobler—last night smashed Calgary Stampeders 13 to 5 before a crowd of 5,000 fans at Mewata Stadium, to move up within two points of the leading Calgaryans in the Inter-provincial Rugby Football Union.

It was the first loss of the campaign for the Calgary club which at few times in the contest showed the ability credited to it a week ago in winning at both Regina and Winnipeg on the first jaunt of the season away from home.

Ahead 6 to 0 in the first quarter, when Doug Gauthier galloped 20 yards for a touchdown after taking a forward pass from Dobler, Jack West's Bombers never looked like losers against a Stampeders crew which never really got clicking at any stage of the game although it managed to scramble for a fair share of the yardage and other items that go into the yardstick story.

Second Bomber touchdown came in the third-quarter when Grant recovered a Calgary fumble and ran 29 yards for the major score, then Dobler added a kick to touch in goal to the two converts he had earned on the tries.

Stampeders were saved from a shut-out only by virtue of a Winnipeg fumble—Harry Anderson picking up a loose ball and dashing 40 yards for a touchdown on which an attempted convert was badly bungled.

## Tigers Drop Bridges

DETROIT (AP)—Tommy Bridges, 39-year-old curve-ball specialist who has pitched 15 years in the American League, today was given his unconditional release by Detroit Tigers. He has appeared in nine games this season, winning one and losing one.

## SOCCER PRACTICE

Saanich Thistles soccer team will hold a practice at Hampton Park tomorrow night at 6.30.

## Percy Payne Heads Minor Footballers

Percy Payne veteran soccer official was elected to the presidency of the lower island Juvenile Football Association at the annual meeting last night.

Alex Sellers will hold down the post of first vice-president, Jimmy Lees second vice-president and W. A. Smith registrar. Don Gray, secretary-treasurer, was re-elected to his post, and given a vote of thanks for the fine work he turned in last year. Team entries are to close on September 28, with the next general meeting scheduled for Sept. 30.

With 14 clubs represented at the meeting, everything points to a fine season for the young footballers.

## BASKETBALLERS MEET

The annual meeting of the Saanich Suburban Basketball Association will be held at Luxton Hall Friday night at 8.30. All districts interested are asked to have representatives in attendance.

## BAYS PRACTICE

The Hudson's Bay will hold a soccer workout at Central Park tomorrow afternoon, starting at 2.30. All players interested are invited to attend.

## A.F.L. Seamen Resume Work As C.I.O. Pickets Withdrawn

NEW YORK (AP)—A.F.L. longshoremen resumed work today on several New York piers following a National Maritime Union (C.I.O.) decision to cease picketing ships in United States ports manned by the A.F.L. Seafarers' International Union "except where they are berthed at the same dock with N.M.U. vessels."

The first break in the strike, begun Sept. 5 by A.F.L. seamen against a Wage Stabilization Board decision limiting negotiated wage increases, occurred without incident, police said. They estimated 500 men were at work by 8 a.m. and that six piers were free of pickets.

All foreign ships not under contract to the N.M.U. also were exempted from picketing under the new directive, issued today by N.M.U. President Joseph Curran after a conference with his aides at union headquarters here.

Curran's order did not mention the future action to be taken by N.M.U. members regarding ships manned by the A.F.L. Sailors' Union of the Pacific.

The N.M.U. head said the

union's action would free about 40 S.I.U. ships in the port of New York, permitting them to prepare to sail immediately.

Curran's directive followed by several hours a request by the A.F.L. maritime trades department that the N.M.U. withdraw its picket lines around all vessels on the Atlantic, Pacific and Gulf coasts except C.I.O.-contracted ships, "to eliminate the possibility of wide-open jurisdictional warfare along all docks in all ports."

In urging the N.M.U. to withdraw its pickets by 6 a.m., E.D.T. today, John Owens, executive secretary of the department, which speaks for A.F.L. maritime unions, added that A.F.L. maritime unions would respect picket lines around vessels whose operators have contracts with the N.M.U. or the C.I.O. Marine Cooks' and Stewards' Union.

Also involved in the strike is the Marine Firemen's, Oilers, Wipers and Water-tenders' Union, an independent organization.

The three unions are seeking parity with the A.F.L. sailors who gained wage boosts of \$22.50 monthly on the west coast and \$27.50 on the east coast. The N.M.U. last June won a \$17.50 monthly raise for its members.

## Total Offensive Against Chinese Reds Expected

PEIPING (AP)—Gen. Chen Cheng, chief of staff, went to Mukden today after an extraordinary conference with Generalissimo Chiang Kai-shek. Military observers immediately theorized he was prepared to inaugurate a total offensive against the Communists in North China.

Chen came here direct from a surprise meeting in Kuling, the summer capital, with Chiang and top military generals of North China. He then left for Mukden with Gen. Tu Li-ming, commander of government forces in Manchuria. They stopped briefly at Chengde, which national forces recently seized from the Communists.

Tu reported to Chiang on the military situation in Manchuria. Informed Chinese sources said plans were charted at the military conference with Chiang to cut off the Communist supply line between Yen-an, the Red headquarters, and Manchuria for the government's strong offensive against Kalgan, Communist military base in Chahar province.

(In Nanking, a leading Kuomintang "Government Party" figure told Associated Press correspondent, John Roderick that a

major military victory, such as the capture of Kalgan, combined with further political concessions by the government, would convince Yen-an of the futility of further delays in framing a coalition government.

"Believe me, unless such procedure is followed, we never will reach an agreement," said the party leader, who declined use of his name. "Regardless of how many political concessions we make, as long as the Communists gain militarily, they will refuse to make any agreement."

**Minister Attending Armstrong Fall Fair**

Both Agriculture Minister Frank Putnam and Deputy Minister Dr. J. B. Munro attended the opening of the Armstrong Fall Fair today. The fair will continue through Thursday.

Dr. Munro will remain in the interior to attend the annual meeting of the B.C. Honey Producers' Association, Kootenay Division, at Nelson, Sept. 24, but Mr. Putnam will leave Armstrong Thursday, returning to Victoria Saturday.

**NORTH QUADRA BOY SCOUTS**

The weekly meeting was held in the Scout Hall when patrol instruction and games were the order. An overnight hike was held with 14 in attendance. Cooking, mapping and plotting was taken in the course of training.

## Say Western Allies Would Use Trieste To Attack Yugoslavs

PARIS (AP)—Yugoslav spokesmen Dr. Ales Bebler accused the western powers today of seeking to establish a bridgehead in the Free City of Trieste for future military action against Yugoslavia.

Opening the Slavic bloc's attack on the proposed boundaries of the free territory, Dr. Bebler told a Peace Conference commission the only reason these were expanded beyond the Trieste city limits was to "allow space for the deployment of armed forces."

Dr. Bebler spoke as statesmen lined up once again in the Italian political and territorial commission on opposing sides of the Trieste issue—this time in connection with the frontiers of the projected free area.

He urged the adoption of a Yugoslav amendment which would push the boundaries back to the city proper, a proposal paralleled by a White Russian amendment and contested by South African and Australian amendments which would extend the Free State south in Istria to include Pola and other Italian coastal communities.

## Stop 'Jerry' Built Homes Object Of Builders Here

Enforcement of building regulations to prevent construction of "Jerry" homes in Canada and the United States, will be one of the subjects discussed by delegates attending the 24th annual convention of the Pacific Coast Building Officials Conference.

Many delegates who arrived today at the Empress Hotel for the opening session of the convention expressed the opinion that something should be done to enforce a building code on architects, engineers and contractors.

One delegate complained that too many unsafe and unsanitary homes were now being built on grounds that the buildings were only temporary.

"But everybody knows that temporary homes usually stay with us and are never demolished," he said.

One American delegate pointed out that contractors were taking advantage of the building boom to erect cheap houses which were a menace to life and property.

"It is in the interest of the public that something be done to prevent construction of 'Jerry' buildings," he said.

**NO EXCUSE FOR SHORTAGE**

With regard to the shortage of materials, the majority of delegates appeared to be of the opinion that there was no excuse for it and blamed the government for the situation.

"We have the lumber, and yet veterans are unable to get any for their homes," said one delegate. "We should look to our needs first before shipping it abroad."

He said the argument that the lumber was being exported to help the rehabilitation of war-torn countries was false propaganda.

"Everybody knows that the people who really need the lumber are not getting it," he said. Only the wealthy people of foreign countries are benefiting, and meanwhile our veterans who fought a war are obliged to go without homes."

## Blind Man And Oldtimer Carry Feud To Court

The assault charges brought against each other by an elderly blind man and a 75-year-old man who lived in the same house were settled amicably in City Police Court today by Magistrate Henry C. Hall who commented: "It's too bad seeing people as old as you in these difficulties."

The two oldsters carried the hostility to court. Each was anxious to see the other punished by the court. But by the time the magistrate had talked to them they agreed to leave each other alone and not to talk with one another.

"I don't talk to him anyway," the blind man said when Magistrate Hall asked him to promise to keep away from the 75-year-old.

But apparently he had. The 75-year-old pleaded guilty to assaulting his sightless neighbor and agreed with testimony from the blind man that he (the blind man) had come to his room and asked him to stop cutting bushes in the front of their house.

The blind man said he had trimmed the bushes evenly and that the other man had cut them down to give a better view.

**Evidence from here on clashed.** The blind man said the 75-year-old had caught him by the throat and pushed him against the wall. He pulled off his coat to display marks on his arm which, he said, were caused by the assault.

The 75-year-old said the blind man came to his room, accused him of cutting down the bushes which he had not touched, caught him by the collar, and then "hauled off and socked me in the eye."

He said that any assault by him on the blind man was merely through his defence of himself from the fury of the sightless one.

Finally Magistrate Hall gave the 75-year-old a suspended sentence and dismissed the charge against the blind man.

## Town Topics

**Esquimalt Dockyard Branch,** Canadian Legion, will meet Wednesday evening at 8 in the branch hall, 622 Admirals Road.

**Monthly meeting of the Canadian Legion, Esquimalt Dockyard Branch,** No. 172, will be held in the branch hall, 622 Admirals Road, Wednesday at 8.

**Parents or other members of the general public may make appointments to see either J. F. K. English or John Gough, municipal inspectors of schools, between 2 and 4 in the afternoon, Mr. English announced today.**

**Rev. F. A. Springborn, curate of St. Mary's Church, reviewed the history of Holland in an address before the Dickens Fellowship.** Next meeting of the Dickens Fellowship will be held Oct. 21, when Rev. Robert Connell will be the guest speaker.

**Sale of 16 city lots** will be recommended to Thursday's City Council meeting for a total of \$5,422.50. Ald. R. A. C. Dewar, lands, zoning and housing committee chairman, said following a meeting Thursday. Five of these sales are to veterans for \$757.50.

**R. V. Anderson, acting director of marine services, Federal Department of Transport, has informed the City Council that mariners in the Victoria district have been instructed to co-operate with the request that oil sludge not be dumped in the vicinity of Victoria beaches.**

**L. E. Fitchett, a resident of Esquimalt, was fined \$15 when he pleaded guilty in Municipal Police Court Monday afternoon to a charge that he discharged a pistol within the boundaries of the municipality.** The incident was reported to have occurred in "The Transfer," a wooded area.

**Canon E. Lorgner arrived in Victoria this afternoon and was met at the boat by Madame L. G. D'Estrube of the Children of France Society.** He is the delegate in Canada and United States of the Bishop of Arras, France, and is on a conference tour in Canada. He will speak in Victoria at the Little Arts Centre, Friday at 8.15 and he will be guest of Bishop James Hill during his stay.

**David Lawrence was remanded until Wednesday when he appeared before Magistrate H. C. Hall in city police court today on a charge of stealing \$21.19 in the delivering of a C.O.D. parcel for the Post Office.** He pleaded guilty to the charge on Monday. Richard M. Williams, complainant, in the case, asked for leniency today stating the accused had paid back the money and that he had served five years overseas with the army.

**Four B.C. Deaths**

B.C. Police headquarters here reported the deaths of three men and a woman in various parts of the province during the week-end, two of them in accidents.

Wilhelm Anders Bjorkland, Vancouver, drowned Sunday night when a car driven by Vano Kontur, Barnett, ran off a logging road and crashed into Elbow Lake near Harrison Hot Mills. Four others in the car escaped.

Mrs. Mary Coombs, an Indian of the Chilliwack Landing Reserve, died Saturday evening after being struck by a car near Cottonwood Corner in the Chilliwack district.

Mathias Hopfe, 59, an employee of the Pioneer Logging Company at Englewood, died Sunday of natural causes, as did Chin Wah Sing, whose body was found in a bunkhouse at Ocean Falls.

**Angus MacInnis, M.P., member Industrial Relations Committee.** Ottawa, speaks at 8.37 Pandora tomorrow at 8 p.m. All welcome.

## Call Tenders For Light Supplies

With a view to making an early start on the residential street lighting program authorized in the by-laws passed in July the street lighting committee will call for tenders for 400 lights, Ald. F. G. Mulliner, committee chairman, said following a meeting today.

At the same time tenders are being called for an additional 5,000 pounds of copper wire, five sodium lights, two of which will be placed on Johnson Street bridge and 10 mercury lights.

The committee decided to order 10 small street lighting units, similar to those used on Oak Bay streets, from War Assets Corporation, to be put outside public buildings such as Victoria College, where larger lights are not necessary.

At the request of the public works committee flood lights will be installed on the new city parking lot at Cormorant and Blanshard Streets, Ald. Mulliner said.

The resignation of J. F. Pye, journeyman electrician, was accepted tentatively as he is seeking to re-enlist in the R.C.A.F.

## War Veteran Barber-Trainees To Undergo Test

Ten young war veterans, majority of whom served in action theatres in the three services, who for six months in their post-war period on "civvy street" have been learning the art of barbering in all its phases, will be put to the acid test tomorrow when they perform with clippers, scissors and comb before a four-man board of examiners.

Scene of the exams will be the six-chair school located in the Public Market building on Cormorant Street where they have been put in 1,000 hours—on an eight-hour day and five-day week basis—under guidance of instructor Harry Holder.

"I have no complaints about these students. All have been willing learners and in my estimation have made excellent progress," Mr. Holder declared today.

The examiners, appointed by the Registered Barbers' Association of B.C., will be J. A. Green, Victoria; Ed White, New Westminster, and Len Percival, Vancouver. Ward Bell will represent the government.

Tomorrow morning will be devoted to examination in theory and the afternoon period is earmarked for practical examination.

Students are: Stewart Bittan-court, who served with the Scottish overseas; Thomas Boulet, navy veteran; Dave Hawkins, navy overseas; E. F. Jaggars, army overseas; George Robb, army overseas; Henry Unger, air force; Leo F. Vande Casteyen, air force; J. Bernie Young, army overseas; Ingvald Rosvold, Scottish overseas, and Arnold Masters, army overseas.

## Classroom Colors Influence Students

And now it's the color of classroom walls that affects the marks that little Johnny and Mary get on their report cards.

However, the majority of Greater Victoria's youngsters won't be able to convince skeptical parents this is a valid excuse for not being up in the top bracket because the great majority of classrooms in the schools are painted the accepted colors.

Experts of the National Education Association recently completed a study of the effects of color on children's work in school, and have come up with the decision that classrooms painted yellow or pale green do most to encourage study.

Brown classrooms tend to put children to sleep, says the N.E.A., while blue rooms are "cold" and give the youngsters the idea they are not loved.

Research in Victoria schools indicated that there were a few pale blue rooms, no brown ones because these are too dark, with the majority being either pale yellow, peach or the accepted pale green.

Some of the school officials have a fondness for the yellow rooms because they were informed that children show less inclination to make pencil marks or scribble on yellow walls than on any other color. No explanation has been offered for this phenomenon, nor has there been any substantiation for the theory locally as yet.

## Smoking Ashtray Alarms Motorist

An excited motorist rushed breathlessly into the city hall at a late-hour Monday night with the alarm that his car outside was about to be consumed by flames.

Firemen ran with extinguishers and hose only to find that the motorist had left a cigarette smouldering in a dashboard ashtray which had been closed.

"Had it really been a fire that would have been nice service bringing it to our doorstep," firemen remarked.

The motorist was advised to "house clean" more often and clean out his ashtrays.

## 15-Day Sentence For False Pretenses

C. H. Thompson was sentenced to 15 days in jail when he appeared before Magistrate Henry C. Hall in city police court today on a charge of obtaining by presentation of a worthless cheque, \$30 from Diggon Hibben Ltd., last May 3.

"In view of the fact restitution has been made and in so far as this court is concerned it is your first offense, I think this penalty will be sufficient," the magistrate told Thompson.

## Uncle Ray

**ZEBRAS AND ANTELOPES ARE AMONG VICTIMS OF LIONS**

Two centuries ago, a Swedish scientist made a statement of a strange kind. Three flies, he said, with their offspring, would eat the body of a bullock as fast as would a hungry lion.

A lion has a strong appetite, but it could hardly eat a good-sized bullock in one meal! Going back to the bullock from time to time, the lion might take many days to finish up the game.

Linnaeus, the scientist of whom I speak, figured that in the meantime the number of flies would run into thousands. He was not speaking of houseflies, but of a certain kind of fly in Africa which feeds on the flesh of dead animals and lays many eggs which hatch quickly.

Perhaps Linnaeus was right in his figuring, but most people would rather brave the dangers of flies than of lions.

Africa, however, has the fearful tsetse-flies, and these are more dangerous than lions. They spread sleeping sickness. In five years the disease brought death to 200,000 natives in the British colony of Uganda.

Lions eat people now and then, but in general they look for different game. Zebras are their favorite food.

Dark stripes on the bodies of zebras match the shadows in tall grass. For this reason a zebra may be hidden from the view of a hungry lion, but there are times when the lion sees the animal anyway, and runs after it. Unless the zebra has a good head start, the lion will capture it.

Antelopes are among other victims of lions. A single lion fears to attack an African buffalo, but two or more lions may spring on a buffalo which strays apart

from the herd.

Most of the hunting of lions is done at night, though there are times when they look for prey in full daylight. Often they go about in groups of from four to seven members. In such a group there may be two parents and from two to five well-grown cubs. In certain cases, it is believed that young lions stay with their parents for two years or more.

(For nature section of your scrapbook.)

## SECRETARE DESK

## Left-Hand Turns Brink \$5 Fines

Eight motorists, the first to be charged by city police for making left-hand turns on Douglas Street where there are traffic signals, each was fined \$5 in court today when they pleaded guilty to the charges.

The ruling that no left-hand turns can be made by vehicles, with the exception of streetcars and buses, was put into effect several weeks ago along with parallel parking regulations rather than diagonal parking on Douglas and Yates Street.

## Patients Entertained

Ex-servicemen patients at the Veterans' Health and Occupation Centre, Gordon Head Camp, were entertained with music, dancing and piping by the Victoria Girls' Pipe Band and Concert Party.

The skirl of pipes and highland dancing featured the first part of the program. Other numbers in colorful Dutch, Russian and Indian costumes followed.

Pipe Maj. Nancy Chalmers danced the Highland Fling piped by Sgt. Mona Mayhew. The Broadwoods, was danced by Barbara McVie, Grace Livingstone, Thelma Whyte and Shirley Anderson.

Other entertainers were Avis Butler and Enid Middleton, vocalists; Gerry Eastwood, Maureen McCabe, Shirley and Irene Campbell and Audrey Patrick.

## Day Nearing For Birtelsen Hearing

John Birtelsen, 17-year-old Brentwood boy charged with attempted murder in the shooting last July 20 of Stanley Cornish, city police motorcycle constable, was remanded until tomorrow when he appeared before Magistrate Henry C. Hall in city police court today.

Prosecutor Claude L. Harrison asked for the one-day remand, stating that he should know by tomorrow when the wounded police officer would be well enough appear in court.

Birtelsen has been in custody since his arrest on the day of the shooting which took place at Hillside Avenue and Shelbourne Street while Cornish and a fellow policeman, Constable John Deans Blackstock, were investigating an alleged stolen car.

The finest in flowers, fruits and vegetables, at the Victoria Horticultural Society's show Friday and Saturday, Sept. 20 and 21 at the Crystal Garden.

### Country Comfort — City Conveniences

Three and a half acres of beautiful landscaped grounds surrounds the house from its neighbors, and the 10-year-old stucco home blends with the surroundings. Oil-burning boiler, no more coal. An entrance hall that says "welcome" leads to a spacious living room (23x16). Its tapestry-plastered walls, open tile fireplace and oak floors will suit almost any type of furniture. The compact dining-room plus everything needed in easy reach. Hot-water heated conservatory for winter blooms. The kitchen is modern and wired for electric range, bath-room and laundry complete. The ground floor. Upstairs you will have three bedrooms, bathroom, sleeping porch and storage space, with a lovely view of the surrounding countryside. Full, high concrete basement—summer house and outside garage. Only six miles from city centre. You'll say, "This is it!" when you see it. Call for appointment only.

## Actors Take Tough Course In Wrestling

"All out" wrestling in the time-honored Cornish style, with lashings of adventure and romantic rivalry, make "Johnny Frenchman," at the Dominion next week, a robust, exciting entertainment. The romantic rivalry is responsible for the "all out" part in the wrestling, for the two opponents, Ralph Michael and Paul Dupuis, are both enamoured of Patricia Roc.

Two actors had to take a hard course of instruction in the Cornish-style wrestling from the hands of Mr. Cundy, middle-weight champion of Cornwall. They spent several weeks of muscle-stiffening work.

### CAPITOL THEATRE

Note of interest to the male population in this day of shortages is Charles Boyer's method of maintaining a reputation as a well-dressed man with exactly one suit. Boyer in the filmization of Margery Sharp's best-seller, "Cluny Brown," which is now at the Capitol Theatre, portrays a penniless Czech refugee who manages to keep everyone but the audience from finding out just how penniless he is. With a few tricks with a brush and press-cloth, he contrives to look neat and prosperous.

### YORK THEATRE

The musical touchstone of Noel Coward's "Blithe Spirit" now at the York Theatre through United Artists release, is the song "Always" by Irving Berlin.

"Always" was a song especially dear to the successful novelist Charles Condomine (Rex Harrison) and his departed wife, Elvira. And in this comedy, the song "Always" calls Elvira, portrayed by Kay Hammond, back from celestial green pastures to Charles' side.

### RIO THEATRE

The Bumstead's visit at the Rio Theatre will be ended on Tuesday when Columbia Pictures' "Life With Blondie" finishes its engagement there. Penny Singleton, Arthur Lake, and Daisy are in their familiar roles. The visitors include Ernest Truex, Marc Lawrence and Veda Ann Borg.

### ATLAS THEATRE

"Miss Susie Slagle's" is the kind of picture that film-goers haven't seen in a long time. It is warm, with the romance of the year 1910. Paramount's heart-warming film version of the best-seller by Augusta Tucker is today at the Atlas Theatre with Sonny Tufts, Veronica Lake and new-comer Joan Caulfield co-starred.

### PLAZA THEATRE

Kirby Grant can't get away from being a cowboy. The personable young western actor, who has been labeled "The Draw" by fans and exhibitors alike of shoot-'em-up outdoor thrillers, thought mistakenly he was getting away from characterization when his studio cast him opposite Brenda Joyce and Gale Sondergaard in Universal's "The Spider Woman Strikes Back," the murder mystery now at the Plaza Theatre.

### ROYAL THEATRE

Maureen O'Hara, Dick Haymes and Harry James are starred in 20th Century-Fox's brilliant new technicolor musical hit, "Do You Love Me," which is currently at the Royal Theatre. Directed by Gregory Ratoff the musical features Reginald Gardiner, Richard Gaines and Stanley Prager.

### PLAN \$500,000 FUND

At the meeting of the Mission to Lepers F. Bird of Pasadena told of the plan of the American branch to raise \$500,000 this year to provide more hospitals and homes for the stricken people, many now having to be turned away for lack of space. Dr. and Mrs. Kellersburger have worked in the Belgian Congo as medical missionaries for many years, he said, and are the general secretaries for the American Mission to Lepers. Mrs. Kellersburger has written a book called "God's Raven's," which graphically describes conditions in the Congo and the dire need there for help for lepers. Mrs. Wellesley Bailey of Pasadena, daughter-in-law of the founder of the mission, was present.

## Where To Go Tonight

(As Advertised)  
**ASTOR**—Betty Grable in "The Dolly Sisters."  
**ATLAS**—"Miss Susie Slagle's," starring Sonny Tufts.  
**CAPITOL**—Charles Boyer and Jennifer Jones in "Cluny Brown."  
**DOMINION**—"Johnny Frenchman," starring Paul Dupuis.  
**OAK BAY**—"None But the Lonely Heart," starring Cary Grant.  
**PLAZA**—Brenda Joyce in "The Spider Woman Strikes Back."  
**RIO**—"Life With Blondie," starring Arthur Lake.  
**ROYAL**—"Do You Love Me," with Maureen O'Hara.  
**YORK**—"Alibi," starring James Mason and Margaret Lockwood.

## Appointments Made By Island Farms

GEORGE W. MALCOLM

George W. Malcolm has been appointed general manager, and Norman H. Ingledew, assistant general manager, of Island Farms Co-operative Association. Mr. Malcolm has been with the Island Farms since its inception, and brings to his appointment 30 years experience in the dairy industry. He is a past president of the B.C. Jersey Cattle Clubs, a director of the Dairy Farmers of Canada, the B.C. Livestock Association, B.C. Fairs Association and other agricultural organizations. He succeeds Phillip Fleming as active head of the island-wide co-operative. Mr. Fleming having resigned to become president of Felt and Textiles of Canada Limited. Mr. Fleming will continue his interest in developing improved markets for primary producers.

NORMAN H. INGLEDREW

Mr. Ingledew graduated from the University of British Columbia with the degree of Master of Scientific Agriculture, specializing in dairy bacteriology and dairy chemistry. He has had 15 years experience in the manufacture of dairy products.

The 18th annual convention of the National Spiritualist Association of Canada, Inc., will be held in Vancouver, Oct. 12, with mass meetings at the Divine Science Fellowship Church and National Memorial Church, Oct. 13.

## Gyros Collected \$8,736 For Charities; Name New Officers

Boasting a record membership of 96-strong, Victoria Gyros last evening laid the foundation for its 1946-47 year of activity—featuring aid to local charities—when they met in the Empress Hotel for the annual meeting to write final to a highly-successful 12 months of endeavor and elect a new slate of officers.

Annual installation banquet and entertainment will be held in the hotel ballroom on the night of Tuesday, Oct. 29. Dr. Jack Mercer, a Victoria Gyro of five years' standing, was elected to the president's chair by acclamation to succeed Hart Henderson, who received high commendation from members for a year of work well done. Another acclamation election was that of Fred Manning to the post of vice-president and also a unanimous choice was Bill Hudson to retain his post as secretary, a role he has handled for 10 years in the club.

Denis Humphries, Howard McCarthy and Lloyd McLennan were the new choices to the board of directors. Bill Bond, Pat Dunn and Arthur Saunders are the other members of the directorate who still have a year to serve.

### GYRO CHARITABLE EFFORTS

Mr. Henderson, in giving his closing address as president, gave the members a picture of the club's activities in the last 12 months on behalf of organizations requiring financial aid from the Gyros. "From a trio of promotions we realized \$8,736, the bulk of which was turned over to the Queen Alexandra Solarium. We still have a reserve charity fund of \$874," Mr. Henderson said. Twelve organizations benefitted from Gyro Club charity funds.

It was the unanimous decision of the meeting to again get behind the newly-organized Gilbert and Sullivan Society, which last year produced "H.M.S. Pinafore" under the successful sponsorship of the Gyros. Dr. Mercer, the new president, reported that he understood the society would start work on its new production, "The Gondoliers," next month.

Gyro Allan Pendray, speaking as a director of the Solarium, expressed the appreciation of the board of directors for the manner in which the club bent its efforts to help finance the institution. He said it was the hope, through an expansion program, that within a year the institution would be able to accommodate more crippled children. "We have been assured by the Provincial Health Department there are a lot more children in B.C. who require the attention offered by the Solarium."

### 14 NEW MEMBERS

Secretary Hudson, in his annual report, noted the club policy since the end of the war was to bring into its membership young businessmen who have returned from the forces and are re-establishing themselves on civvy street. Nine of 14 new members, he said, were ex-service personnel.

Other reports were submitted by: Len Cox, membership; Mark Trueman, attendance; Pat Dunn, a humorous account of entertainment activities; Art Saunders, speakers; Ross "Bud" Hocking, sports; Cuthbert Holmes, civic affairs and Neil Grant, sheriff. A vote of thanks was extended to musical members Charlie Hunt and Harry Holder for their orchestral services.

It was announced that Fred Hawkes, lieutenant-governor of District 4, will attend the International Kiwanis Convention in Buffalo Oct. 3, 4 and 5. He will

leave on Sept. 27. Mr. Henderson attributed the success of the year just terminated due to the fine co-operative spirit of his fellow officers and committee chairman. Dr. Mercer hoped that he and his new directorate would be able to present as good a picture of accomplishment as the retiring slate when the 1946-47 term expired.

## Must Submit Briefs 24 Hours In Advance

Anyone wishing to appear before the City Council to present a brief in future will have to submit his entire brief in writing a full 24 hours in advance of the meeting, if the recommendation of the finance committee is approved at Thursday's council meeting. Ald. Edward Williams said following the committee meeting Monday.

The appointment of S. N. Dimoline to be a special registrar for the civic voters' list will be recommended.

The finance committee will also recommend the reinstatement of the purchasing agent's department because of the great amount of business carried on by the personnel in the department. Ald. Williams said. A salary of \$200 a month, plus cost of living bonus is recommended for the purchasing agent.

A letter of appreciation was sent to W. P. Wright, assistant city clerk, for the manner in which he carried on the duties of the city clerk's office in the absence of M. F. Hunter, city clerk.

## Low Bid \$578,044 On U.B.C. Library

A bid of \$578,044 from the Marwell Construction Co. was the lower of two bids opened Monday by the Minister of Public Works for construction of an addition to the U.B.C. library.

The other bid from Bennett & White Construction Co., asked \$591,220.

Lowest bid for heating construction in the main library building addition was from Fred Welch & Son, \$64,127. Lowest for the electrical work was \$60,935 from Hume & Rumble, and the lowest for the plumbing was \$13,474 from Fred Welch & Son.

## First-Day Sales Of New Stamps \$2,000

Local stamp collectors were largely responsible for an approximate \$2,000 sale of the new Canadian nine-cent Reconstruction Issue on the opening day Monday. Postmaster George H. Gardiner said this morning.

Crowds began to line up at the stamp wicket at the main post office before opening at 8 Monday morning, and sales were brisk all day long.

Most of the 50-cent stamps of the new issue, which features Canadian scenes and industries in various shades of green, brown, blue and purple, were sold. The postmaster said he expected the remaining few of this denomination would be sold this morning.

"We have a fair supply on

hand of the others, though," Mr. Gardiner said.

A total of \$15,875 worth of the new issue was sent from Ottawa for sale here.

Orders are being placed for more of the stamps, particularly the 50-cent variety, and they are expected to be received here within a week.

Angus MacInnis, M.P., member Industrial Relations Committee, Ottawa, speaks at 8:57 Pandora tomorrow at 8 p.m. All welcome.

## Skin Sufferers!

**Stop Scratching! — Try This**  
 Distress of ugly pimples, rashes, itching, burning, skin disorders can often be quickly relieved by this simple inexpensive treatment. Get a small bottle of Moore's Emerald Oil at the nearest drug store. Use as directed for 10 days. Money back if not fully satisfied. Stainless — greaseless.
